You must keep busy or you will be sent home unpaid for the remainder of the day. Temporary employees will be paid for one hour and then be sent home unpaid for the remainder of the day.

If the county closes during regular hours, employees will be expected to finish their daily schedule, unless otherwise instructed by management.

When management determines to cease bus operations, full time office personnel must report to work from 7:00 AM to 4:00 PM to perform their daily duties. Times may be adjusted by management. If all county offices are closed, dispatchers will need to report to work to prepare the following days schedule and will be compensated accordingly.

Drivers may report to work 15 minutes earlier than their scheduled time when it is necessary to start earlier due to weather conditions. Drivers need to report early start times to dispatchers so they may adjust your schedule if possible.
