Inclement Weather Policy

Management will consider many factors regarding when to close including but not limited to:

- Road conditions
- Weather forecast
- Local School Closings:
 - If all county schools close for road conditions, L.E.T.S. will operate on paved roads only.
 - If all county schools close for other reasons, management may maintain full operations.

Closure during regular hours:

If County Administration requires all County offices to close, due to inclement weather during regular hours, employees will be expected to finish their assignment, unless otherwise instructed by management. All employees at work or scheduled to work at the time of the closure will be paid for their scheduled hours. This includes employees who are notified of the closure during the normal report to duty window.

If L.E.T.S. management independently determines to cease operations due to inclement weather during regular hours, employees will be expected to finish their assignment, unless otherwise instructed by management. Employees at work or scheduled to work at the time of the closure will be paid for their scheduled hours. This includes employees who are notified of the closure during their normal report to duty window.

Employees notified of a closure due to inclement weather outside of the normal report to duty window have the option of reporting to work as scheduled or not reporting as scheduled. If the employee chooses not to report the employee may use time from their sick or vacation bank or may take the time off as unpaid.

Closure prior to start of work day:

If L.E.T.S. management independently determines to cease operations due to inclement weather prior to the start of the work day, dispatchers may need to report to work to prepare the following

days schedule and will be compensated accordingly for all hours worked. Full time office personnel must contact the Lead Dispatcher or Operations Manager to determine if they need to report to work to perform their daily duties. All other employees scheduled to work on a day of closure will not be required to report to work. Employees may choose to use time from their sick or vacation bank or may take the time off as unpaid.

If County Administration requires all county offices to close in advance of L.E.T.S. operating hours, employees will be paid for the time they were scheduled to work.
