Memorandum

To: Livingston County Board of Commissioners
From: Chad Chewning, 911 Director
Date: November 4, 2019
Re: Approval of Revised AOB Bylaws

Per the existing E911 Service Plan, Livingston County is required to establish an Advocacy Oversight Board (AOB) for Central Dispatch with the purpose of offering input and advice when needed related to public-safety operations as they coincide with Central Dispatch policies and procedures. The AOB works off of bylaws which have not been updated since the dispatch center opened in 1999. According to the E911 (Enhanced 911) Service Plan filed with the state of Michigan, these bylaws are to be approved and adopted by the Livingston County Board of Commissioners prior to implementation. We are unable to find any resolutions or paperwork confirming the existing bylaws have been approved by the County Board prior to this resolution.

We are in the process of updating the existing E911 Service Plan which will also appear before the County Board for approval. A portion of the revised E911 Service Plan establishes the requirements for the AOB, which will coincide with the bylaws presented to you for approval at this time. These revised AOB Bylaws have been approved by the County Administrator as well as reviewed and approved by county legal counsel.

The revised AOB bylaws are more in-depth and provide a much better explanation of the purpose and guidelines for the AOB as it operates today. Please contact me with any questions regarding the revisions for the AOB bylaws.

The newly elected chairperson shall immediately assume the role of chairperson and proceed with the election to the office of vice-chairperson and any other business that may legitimately come before the meeting.

- F. Emergency Meetings - Emergency meetings of the AOB may be held only with the approval of 2/3 of the members of the AOB and only if delay would threaten severe and imminent danger to the health, safety, and welfare of the public. A meeting is considered to be an emergency meeting only if it must be held before the public notice as provided in Rules III.A-C.

Once recognized, the person wishing to speak will stand, unless physically unable to do so, state their name and their affiliation (if any) and offer their comments. Public comment is limited to 3 minutes per person per meeting. All comments and questions must be directed to the chairperson, and not to individual AOB members or the audience. AOB members may make remarks or ask questions of the speaker, but are not required to do so.

b) Reports, written materials supporting discussion(s), and presentations exceeding 3 minutes in length should be provided in writing to the AOB.

In the absence of the chairperson, the person elected vice-chairperson shall preside. If neither the chairperson nor vice-chairperson is present, the Director shall temporarily preside over the meeting as an "acting" chairperson for that meeting.

B. Form of Address - AOB members wishing to speak shall first obtain the approval of the chairperson and each person who speaks shall direct his/her comments to the AOB.

C. Disorderly Conduct - The chairperson shall call to order any person who is behaving in a disorderly manner or otherwise disrupting the proceedings by speaking longer than the allotted time during public comment or by speaking vulgarities. Such person so called to order will immediately correct their behavior or cease speaking to allow others their turn.

- i) Continuous disorderly behavior and misconduct which disrupts the meeting may result in the chairperson requesting law enforcement officers present, who are within their jurisdictional authorities, to remove the person from the meeting. No person shall be removed from a public meeting except for an actual breach of the peace committed at the meeting.

VII. RECORD OF MEETINGS

- A. Minutes and Official Records - The Director shall appoint a recording clerk that shall be responsible for maintaining the official record and the minutes of each meeting of the AOB. The minutes shall include at a minimum all the actions and decisions of the AOB with respect to substantive motions. The minutes shall include the names of the mover and the seconder and the vote of the AOB. The record shall also state whether the vote was by voice or by roll call. If by roll call, the record shall reflect the vote of each member.
- B. Record of Discussion - The recording clerk may summarize AOB discussions, but shall not be responsible for maintaining a complete written record of the discussions or comments of AOB members or persons addressing the AOB.
- C. Requests for Remarks to be Included in the Minutes - Any AOB member may have his/her comments printed as part of the record upon the concurrence of a majority of the members. Such comments to be included in the record shall be provided in writing by the requesting member.
- D. Public Access to Meeting Records - Members of the public who wish to review minutes of the AOB may do so by requesting them under the Freedom of Information Act through the office of the County Clerk during normal business hours. AOB minutes, prepared, but not approved by the AOB, will be available 8 business days following the meeting. Minutes approved by the AOB will be available within 5 business days after the date of the meeting in which the minutes were approved.

VIII. COMMITTEES

- A. Appointment - Each year, following the annual organizational meeting, the chairperson shall appoint members to standing committees as listed under VIII.C.
- B. Committee Chairpersons - Each committee designated shall meet following their appointment to elect a chairperson of the committee. The name of the person so elected will be reported to the chairperson.
- C. Standing Committees - The following 2 standing committees will be established: 1. System Administrative Committee ("SAC"), and 2. Tactical Advisory Committee ("TAC") overseeing LEIN (consisting of all AOB law enforcement personnel).
- D. Committee Meetings - Committees shall not be required to meet on a regular basis, except for the selection of their chairperson, unless the chairperson refers matters to them. Committees are advisory in nature and may only perform investigative and research functions and offer recommendations to the AOB for consideration.

- E. Temporary Committees - The chairperson may, from time to time, appoint temporary committees to address issues that may be brought to the attention of the AOB.
- F. AOB Alternate Representatives Serving on Committees - AOB alternates may serve on committees if appointed by the chairperson. Each committee shall have at least 1 primary AOB member appointment.
- G. The chairperson of the AOB shall be an "Ex-Officio" member of all committees.

IX. CLOSED SESSIONS

- A. Motion for Closed Session - AOB members may go into closed session during an open meeting upon a motion duly made, seconded, and adopted by a 2/3 roll call vote of AOB members appointed and serving. The roll call vote shall be recorded in the minutes of the meeting at which the motion was made and, if passed, shall record the time the AOB began and ended such session as well as the permissible purpose or purposes for which closed session was held.
- B. Minutes of Closed Sessions - Minutes shall be kept as previously provided except that records of closed sessions will be kept separate from other records. Records of closed sessions will not be disclosed to the public except upon a court order and may be destroyed 1 year and 1 day after the meeting at which they are approved by the AOB.

- X. CONFLICT OF INTEREST** - Each AOB member is expected to participate in and vote on all discussions except that all AOB members and alternates shall abstain from participating in any discussion or voting on matters which are a personal conflict of interest. If matters of this nature come under discussion, the AOB member or alternate shall immediately notify the chairperson of their intention to abstain from all discussion and voting on that matter.

- XI. APPEAL PROCESS** - In the circumstance the AOB and the Director are in disagreement regarding an issue that cannot be resolved, an appeal may be sent to the Board for review.

- XII. PARLIAMENTARY AUTHORITY** - Roberts Rules of Order (newly revised) shall govern all questions of procedure not otherwise provided by these rules or by state or federal law.

- XIII. MODIFICATION OF THESE RULES** - These rules may be added to, deleted from, or otherwise altered only with the approval of 2/3 of the voting members present at any AOB meeting. The changes, once approved in this fashion, shall be incorporated into a "draft" copy of the full rules and distributed to the full membership for review at least 1 week in advance of the next AOB meeting where the full, updated version, of the rules shall be adopted with the approval of 2/3 of the voting members present at that meeting.

XIV. ADOPTION

- A. The AOB adopted these rules encompassing sections I.-XIV., pages 1-7 inclusive, by a ___/___ vote at a regular meeting held on _____.

- B. All modifications to the Livingston County 911 AOB Bylaws will be sent to the Livingston County Board of Commissioners for final approval by resolution.
