APPROVED: 8.27.01

RESOLUTION #400-101

APPROVED: 4.11.00

SECTION 1. PROCUREMENT POLICY & AUTHORITY

A. POLICY

This policy is to establish standards for the purchase of goods and services with public funds such that the County is able to preserve and enhance public trust by maximizing the procurement value of public dollars by engaging in procurement activities that are fair and equitable.

B. STATUTORY AUTHORITY

The Board of Commissioners (Board) may establish rules and regulations to manage the interest and business of the County. See: MCL 46.11(m); Act 156 of 1851, as amended.

C. PURPOSE AND APPLICATION OF POLICY

The purpose of this policy is to establish a uniform procurement process for Livingston County Elected Officials, Department Directors and employees.

D. EXCLUSIONS

- i. The general terms of intergovernmental contracts or agreements (between the County, other governmental entities, or non-profit organizations) are not subject to the requirements of this policy but may be subject to prior Board approval if unusual (specialized) in nature.
- ii. Procurements completed through the utilization of a joint procurement program, established by the State or another local unit of government which operates a cooperative procurement program if it is determined to be cost-effective, and in the County's best interest (for example, MIDEAL and CoPro+).
- iii. In the event of an emergency, the County Administrator is statutorily enabled to authorize and effectuate the necessary procurements, which must then be ratified by the Board.
- iv. The Board reserves the authority to waive any regulations or procedures pertaining to procurement contained in this Policy, if the Board deems it is in the best interest of the County to do so.

E. IMPLEMENTATION AUTHORITY

- i. The County Board of Commissioners authorizes the County Administrator, or his/her designee, to effectuate the creation or change of any procedures necessary to implement the Policy.
- ii. Elected Officials, Department Directors, and immediate supervisors are responsible for ensuring that the procurement process is followed under this policy and certify so by approving

requisitions via workflow authorization in the County's MUNIS system. Failure to comply with the policy can result in the claim for the purchase being adjusted or disallowed by the Board, and the claim not being paid by the County.

F. PROCUREMENT REQUIREMENTS

The County Administrator is authorized to sign any contracts and purchase orders related to these items.

Variances from the original budgeted amount that are greater than 10 percent, or \$25,000, whichever is lower, will require Board authorization prior to purchase or entering into contract. Variances less than 10 percent, or \$25,000, may be approved by the County Administrator. Purchasing requirements and the Budget Transfer/Amendment policy must be adhered to for all purchases, including those with detail approved through the Operating Budget.

G. EXEMPTED PURCHASES

Professional services, intergovernmental contracts, emergency repairs, and reauthorization of contracts via a renewal option as previously approved by the Board are exempted from this policy. Information Technology software license/maintenance/subscription renewals, when included with line item detail in the authorized budget, are exempted from this policy. When it is determined to be in the best interests of the County, the Board may also exempt other purchases on a case by case basis from some or all of this policy by a majority vote unless it is required by law.

H. POLICY STANDARDS

- i. **Failure to Follow Policy:** The County shall not be responsible for costs of goods and services ordered or purchased by any County official or employee that are not obtained in accordance with this policy. Contracts negotiated outside of this policy will be considered invalid and non-binding. In addition, or in the alternative, the County may impose on a County employee or officer, for any violations of these Procurement Policies or ethical standards of conduct set forth in this Policy or State statute, disciplinary action up to and including termination of employment.
- ii. **Law and Guidelines:** When the procurement involves the expenditure of Federal or State assistance or contracts, the procurement shall be conducted in accordance with any mandatory applicable Federal or State law. Livingston County will comply with applicable federal law, guidelines, standards, regulations, and grant terms including, but not limited to those outlined in the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards; 2 CFR Part 200 (Super Circular). See Appendix A.
- iii. **Credit Card (Purchasing Card) and Online Purchases:** Refer to the Credit Card Policy.
- iv. **Sales Tax Exemption:** The County shall not be charged or pay sales tax. Livingston County, as a Michigan Constitutional Corporation, is exempt from sales tax per Act 167 of Public Acts established in 1933. Per Section 4 of the General Sales Tax Act, MCL ' 205.54(7); MSA ' 7.525(4)(7), and Michigan Sales and Use Tax Rule, 1979 AC, R205.79, provides that sales to the United States government, the State of Michigan, and their political subdivisions, departments and institutions are not taxable when ordered on a Purchase Order and paid for by warrant on government funds. In the alternative, the government may claim exemption at the time of purchase by providing the seller with a signed statement to the effect that the purchaser is a governmental entity. This position was affirmed by the Michigan Department of Treasury through its Revenue Administrative Bulletin 1990-32, approved on October 11, 1990.
- v. **Policy Review:** This Policy shall be reviewed annually by the County Administrator or designee.

SECTION 2. SOURCE SELECTION & CONTRACT FORMATION

A. NO DIVISION OF REQUIREMENT/PURCHASE

Contracts or purchases shall not be artificially divided to circumvent the procurement procedures in this policy. An aggregate of regular, reoccurring purchases shall be determined on an annual basis (for example: gasoline, paper products, cleaning supplies, ammunition) to verify this is not occurring and determine if the items should be competitively bid.

B. COMPETITIVE SEALED BIDDING

A procurement method used when (1) the best value is expected to result from the selection of the lowest evaluated priced offer. Competitive Sealed bidding should be used if (2) time permits the solicitation, submission, and evaluation of sealed bids. (3) It is not necessary to conduct discussions with responding offerors about their bids. Also you should consider utilizing competitive sealed bidding if there is (4) a reasonable expectation of receiving more than one sealed bid.

- i. An Invitation for Bids shall be issued and shall include a purchase description, and all contractual terms and conditions applicable to the procurement.
- ii. Adequate public notice of the Invitation for Bids shall be given a reasonable time prior to the date set forth therein for the opening of bids, in accordance with regulations.
- iii. Bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the Invitation for Bids.

- iv. Bids shall be unconditionally accepted without alteration or correction. Bids shall be evaluated based on the requirements set forth in the Invitation for Bids, which may include criteria to determine acceptability. No criteria may be used in the bid evaluation that are not set forth in the Invitation for Bids.
- v. The contract shall be awarded with reasonable promptness by written notice to the lowest responsible and responsive bidder whose bid meets the requirements and criteria set forth in the Invitation for Bids.

C. COMPETITIVE SEALED PROPOSAL

A procurement method utilized when it is either not practicable or not advantageous for the County to procure specified types of supplies, services or construction by competitive sealed bidding.

- i. Proposals shall be solicited through a Request for Proposals.
- ii. Adequate public notice of the Request for Proposals shall be given a reasonable time prior to the date set forth therein for the opening of bids, in accordance with regulations.
- iii. The Request for Proposals shall state the relative importance of price and other factors and subfactors.
- iv. Discussions may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award.
- v. Award shall be made to the responsible offeror whose proposal conforms to the solicitation and is determined in writing to be the most advantageous to Livingston County taking into consideration price and the evaluation factors set forth in the RFP. No other factors or criteria shall be used in the evaluation.
- vi. Debriefings may be provided upon request to demonstrate the basis for the source selection and contract award.

D. LOCAL PREFERENCE

The procurement system is designed to preserve the integrity of Livingston County and promote fair and pure competition for County business. At the same time, when all other factors are equal, vendors/contractors located in Livingston County shall be preferred in the award of purchase orders and contracts in the procurement of goods and services.

E. SINGLE SOURCE

A Single-source procurement is one in which the County has selected a single vendor to supply the products or services over the other possible vendors. This may occur where there is significant justification for the single vendor so that there is no practical value in soliciting competition or for other substantial reasons (i.e. the vendor has the products on hand, the vendor currently supplies or is familiar with the existing County equipment, etc.). Single-source procurements must be justified in sufficient detail and documented on the Sole / Single Source Vendor Form which can be obtained on the county website: <https://www.livgov.com/administration/Pages/policies.aspx>. Procurement will evaluate each request and make a determination whether a single source acquisition is appropriate. This form requires the signature of the County Administrator or his/her designee. Single-Source procurements are limited to products or services less than \$25,000.

F. SOLE SOURCE PROCUREMENT

Sole Source providers are used when a particular item or service is procured without a competitive process based on the justification that there is only one (1) appropriate source for the requested product or service. Research and proper justification for awarding to a sole source provider must accompany the Sole / Single Source Vendor Form (Appendix B) which can be obtained on the county

website: Employees/County Policies/Forms located on the main ribbon of the home page or through the link below.

PART II - GENERAL PROVISIONS

2.1 Project Changes

Grantee must obtain prior written approval for project changes from the Grant Administrator. See Section 1.2. Detailed Budget.

2.2 Delegation

Grantee may not delegate any of its obligations under the Grant without the prior written approval of the State. Grantee must notify the State at least 90 calendar days before the proposed delegation and provide the State any information it requests to determine whether the delegation is in its best interest. If approved, Grantee must: (a) be the sole point of contact regarding all project matters, including payment and charges for all Grant Activities; (b) make all payments to the subgrantee; and (c) incorporate the terms and conditions contained in this Grant in any subgrant with a subgrantee. Grantee remains responsible for the completion of the Grant Activities, compliance with the terms of this Grant, and the acts and omissions of the subgrantee. The State, in its sole discretion, may require the replacement of any subgrantee.

2.3 Project Income

To the extent that it can be determined that interest was earned on advances of funds, such interest shall be remitted to the Grantor. All other program income shall either be added to the project budget and used to further eligible program objectives or deducted from the total program budget for the purpose of determining the amount of reimbursable costs. The final determination shall be made by the Grant Administrator.

2.4 Share-in-savings

The Grantor expects to share in any cost savings realized by the Grantee. Therefore, final Grantee reimbursement will be based on actual expenditures. Exceptions to this requirement must be approved in writing by the Grant Administrator.

2.5 Order of Spending

Unless otherwise required, Grantee shall expend funds in the following order: (1) private or local funds, (2) federal funds, and (3) state funds. Grantee is responsible for securing any required matching funds from sources other than the State.

The purchase of equipment not specifically listed in the Budget, "Attachment A," must have prior written approval of the Grant Administrator. Equipment is defined as non-expendable personal property having a useful life of more than one year. In its request for approval of the State Grant Administrator, Grantee must include the following: (1) a definition of the specific equipment Grantee wishes to purchase; (2) an explanation for why the equipment is necessary to complete the Statement of Work; (3) an explanation of why Grantee could not complete the Statement of Work by renting comparable equipment rather than purchasing it; (4) the anticipated life of the equipment; (5) the amount of anticipated maintenance fees required to maintain the equipment and the length of time those fees will need to be paid; (6) whether Grantee intends to pay maintenance fees using current and/or future grant awards; (7) explanation of any housing requirements for the equipment; (8) whether Grantee intends to rent out to a third party; (9) and the agreement by Grantee that, if it rents or sells the equipment, Grantee will remit any and all rental or sale proceeds to the State.

2.7 Accounting

The Grantee shall adhere to the Generally Accepted Accounting Principles and shall maintain records which will allow, at a minimum, for the comparison of actual outlays with budgeted amounts. The Grantee's overall financial management system must ensure effective control over and accountability for all funds received. Accounting records must be supported by source documentation including, but not limited to, balance sheets, general ledgers, time sheets and invoices. The expenditure of state funds shall be reported by line item and compared to the Budget.

2.8 Records Maintenance, Inspection, Examination, and Audit

The State or its designee may audit Grantee to verify compliance with this Grant. Grantee must retain, and provide to the State or its designee upon request, all financial and accounting records related to the Grant through the term of the Grant and for 7 years after the latter of termination, expiration, or final payment under this Grant or any extension ("Audit Period"). If an audit, litigation, or other action involving the records is initiated before the end of the Audit Period, Grantee must retain the records until all issues are resolved.

Within 10 calendar days of providing notice, the State and its authorized representatives or designees have the right to enter and inspect Grantee's premises or any other places where Grant Activities are being performed, and examine, copy, and audit all records related to this Grant. Grantee must cooperate and provide reasonable assistance. If any financial errors are revealed, the amount in error must be reflected as a credit or debit on subsequent invoices until the amount is paid or refunded. Any remaining balance at the end of the Grant must be paid or refunded within 45 calendar days.

This Section applies to Grantee, any parent, affiliate, or subsidiary organization of Grantee, and any subgrantee that performs Grant Activities in connection with this Grant.

If the Grantee is a governmental or non-profit organization and expends the minimum level specified in OMB Uniform Guidance (\$750,000 as of December 26, 2013) or more in total federal funds in its fiscal year, then Grantee is required to submit an Audit Report to the Federal Audit Clearinghouse (FAC) as required in 200.36.

2.9 Competitive Bidding

The Grantee agrees that all procurement transactions involving the use of state funds shall be conducted in a manner that provides maximum open and free competition. When competitive selection is not feasible or practical, the Grantee agrees to obtain the written approval of the Grant Administrator before making a sole source selection. Sole source contracts should be negotiated to the extent that such negotiation is possible.

The Grantee agrees that all procurement of Professional Services will be conducted using Quality Based Selection (QBS). The Grantee may use QBS scores to assign work based on complexity.

3.0 Liability

The State is not liable for any costs incurred by the Grantee before the start date or after the end date of this Agreement. Liability of the State is limited to the terms and conditions of this Agreement and the grant amount.

If it is later determined that Grantee was not in breach of the Grant, the termination will be deemed to have been a Termination for Convenience, effective as of the same date, and the rights and obligations of the parties will be limited to those provided in Subsection B, Termination for Convenience.

GRANT NO. **BCC 20-47**

From the desk of Brandon Denby, Livingston County – Registrar

12.13.2019

Due to circumstances beyond our (ROD / Grant Admin) control we have just recently received the numbers from the State and County Representative for approval by the Board.

Unfortunately it was too late for the last 2019 General Government meeting held on Dec 2nd, 2019. The Survey and Remonumentation Grant Application needs to be signed and sent back before December 31st, 2019 (No Extensions per MCL 54.274-275). I have spoken with Commissioner Bezotte (General Government Chair) as well as Commissioner Griffith (Finance Chair) and have asked to proceed directly to the Finance Committee based on this issue of timing.

I appreciate your consideration in this matter.

Sincerely,

Brandon Denby

Technical Standards for County Internet Connections

Michigan State University Extension (MSUE) employs the use of technology to meet the ever changing needs of our constituents. We strive to utilize standard, enterprise tools when appropriate, but also recognize the need to evolve with the times and utilize innovative tools to reach a broad array of people.

MSUE does support and encourage the use of technologies that others may not, including social media applications. We view communication with our constituents through channels such as Facebook, Twitter, and Second Life to be critical to our work. MSUE staff are required to follow the MSU Acceptable Use Policy (AUP) <https://tech.msu.edu/about/guidelines-policies/aup/>.

We ask that our county partners provide Extension personnel access to a high-speed Internet connection. From that access, the easiest way to create a secure path to necessary applications is to open the full MSU Internet Protocol Range to and from your network, as well as opening social media sites to the addresses used by MSUE staff at your location. MSUE is prepared to support end user needs if there is high-speed internet, networking to clients, and phone system support. MSU will provide firewall functionality and client support. To discuss this possibility please contact your MSUE District Director. To provide the needed services on county equipment review the following MSU-owned ranges:

WHEREAS, resolution 2019-10-164 authorized a budget amendment due to decreased expenditures in the amount of \$300,000 in the Child Care Fund to correct the amount needed for intensive services. However, the resolution did not provide authorization for the Treasurer to transfer funds from the Child Care Fund back to the General Fund, so there is a need to seek approval to effectuate the transfer.

THEREFORE BE IT RESOLVED that the Board of Commissioners authorizes the following supplemental appropriations to the Fiscal-Year 2019 Budget as illustrated below:

FUND	Approved 2019 budget	Proposed amendment	Amended 2019 budget
101 - General Fund	\$ 50,314,636	\$ (249,204)	\$ 50,065,432
239 - Sheriff Secondary Road Patrol	\$ 272,170	\$ 550	\$ 272,720
268 - Concealed Pistol Licensing	\$ 73,070	\$ 6,000	\$ 79,070
588 - LETS	\$ 5,260,574	\$ 14,052	\$ 5,274,626
661 - Car Pool	\$ 1,980,313	\$ 50,000	\$ 2,030,313

BE IT FURTHER RESOLVED that the worksheet showing details of the above is available for review in the Fiscal Services office.

BE IT FURTHER RESOLVED that the Treasurer be authorized to transfer \$23,605 from F403 Capital Improvement to the General Fund for the increased costs of Court Central Services' imaging software.
