Memorandum

To: Livingston County Board of Commissioners
From: Lieutenant Tarnesia Pringle
Date: AUGUST 4, 2020
Re: Resolution Authorizing an Agreement with Inmate Calling Solutions to Provide Phone and Visitation Services for the jail – PUBLIC SAFETY/ FINANCE / BOARD

The Livingston County Sheriff's Office has a need for inmate phone and inmate video visitation. Per the County Procurement Policy, a competitive bid was performed by CoPro Plus. Livingston County received five (5) proposals in response to the Request for Proposal **RFP-LC-20-10**.

The RFP outlined the services necessary to meet the minimum requirements for inmate phones and inmate video visitation which includes inmate calling, inmate video visitation, Inmate voicemail, Enforcer Software System for managing and recording records and inmate Law Library.

The Evaluation Committee consisted of 5 members. After careful consideration the Evaluation Committee selected Inmate Calling Solution with a score of 91.6%. Inmate Calling Solutions is offering the County a five (5) year contract. Inmate Calling Solutions is offering a 46% commission rate of gross sales on all inmate phone calls. Inmate Calling Solutions is offering a 50% commission rate to the County of all inmate visits. Inmate Calling Solutions is offering an \$115,000 annual bonus with the first 3 years being paid upfront totaling \$345,000 for the first year of signing. An additional \$115,000 to be paid the fourth year of the contract and \$115,000 being paid the fifth year of the contract.

Based on the recommendation of the Evaluation Committee's award recommendation, I am requesting the attached resolution be approved and to award a contract with Inmate Calling Solutions to provide inmate phone calls and inmate visitation.

If you have any questions please contact Lt. Pringle or Lt. Adas

Respectfully Submitted

Sheriff Michael Murphy
Livingston County Sheriff's Office

Dear Sheriff Murphy:

Enclosed is the Secondary Road Patrol and Traffic Accident Prevention Program (SRP) application for fiscal year (FY) 2021 (October 1, 2020 through September 30, 2021). Appropriate forms to certify compliance are enclosed. The application, quarterly financial report, semi-annual program report, annual program report, and contract adjustment requests are also available on the Secondary Road Patrol website at www.michigan.gov/ohsp-srp; click on SRP Forms. Completed applications for participation in the program must be back in our office by **September 1, 2020**. Applications received after September 1, 2020, may jeopardize the county's eligibility for funding.

Estimated program funding for FY 2021 is **\$5,800,000.00** from the Secondary Road Patrol and Training Fund.

Your county's total allocation for FY 2021 is \$59,856.00. Your reimbursement from the fund may not exceed this amount. The amount being allocated to each county for FY 2021 is based on current citation revenue collections in the SRP and Training Fund. The FY20 citation revenue collected through the month of June is 22.19% less than the amount collected during the same period in 2019.

P.A. 416, as amended, requires a "Maintenance of Effort" by the county. Your attention is directed to Section 77(1), which states, in part:

"An agreement entered into under this section shall be void if the county reduces its expenditures or level of road patrol below that which the county was expending or providing immediately before October 1, 1978, unless the county is required to reduce general services because of economic conditions and is not merely reducing law enforcement services."

County level of effort must not include positions and expenditures funded from the SRP. If the level of county funded road patrol is less than your "Maintenance of Effort" requirement, your application cannot be processed. Should this occur, and you subsequently come into compliance during the year, a partial year application will be processed at that time.

If you have any questions, please call Julie Roth at 517-284-3121 or Emily Upton at UptoneE1@michigan.gov.

Sincerely,

Michael L. Prince

Memorandum

To: Livingston County Board of Commissioners
From: Lt. Dan Adas
Date: 08/05/2020
**Re: Resolution approving continuation of Inmate Educational
Services provided to inmates of the Livingston County Jail**

The Jail Services Division, Inmate Services Unit, of the Livingston County Sheriff's Office provides educational services to incarcerated individuals. Services include literacy, resume preparation, tips for a successful job interview, life skills such as Parenting, Healthy Lifestyle Choices and Personal Finance Management, and preparation and testing for the State of Michigan General Equivalency Diploma (GED). Our current Jail Educator has resigned from this position effective 8/20/2020 thus creating a vacancy.

In February, 2019, the Livingston County Board of Commissioners authorized an increase in hours for the Jail Educator (SG-6) position from part-time to full-time. This decision was based on the success of inmates who qualified for their GED'S and a substantial increase in interest to participate in the myriad of learning opportunities available. This position is budgeted to cost \$67,725 annually and is solely funded by the Commissary Fund which currently has a fund balance of \$304,737.

Incarcerated individuals continue to actively seek out self-improvement opportunities, thereby increasing the rate of successful reintegration upon their release from jail and a reduction in recidivism.

If you have any questions or concerns, please reach out to Lieutenant Dan Adas at (517) 540-7974 or via email at DAdas@livgov.com
