Re: Resolution – Correction to the Apportionment Report

Three corrections are needed to the apportionment report. On November 3rd the citizens of Conway Township voted in a new road millage of 2.0000 mills. The Brighton School District had a 2.2000 Non-Homestead millage approved this will increase the Non-Homestead millage from 17.9627 to the 18.0000 mills. This will offset any loss from the rollback it has seen in the past several years. Bryon Schools listed a 2.9305 millage for their sinking fund and it has been corrected to 2.9061 mills. This all is time sensitive due to the certification of the election and getting the tax bills printed.
