Re: Resolution – 2016 County Millage rates

I have attached the resolution for the 2021 L-4029, Millage Request, for the county's levies. Included in the form are both summer and winter levies calculated with the proper Headlee rollback. The rates are based on the approval of the Allocation Board's final allocated portion of the millage available. The timing of the request is based on the final approval of the Allocation Board, the County Boards meeting calendar and townships need to get the tax bills to the printer.

If you have any question regarding this matter, please contact me.
