LIVINGSTON COUNTY	DATE:	Click or tap to enter a date.

Resolution to Accept a Grant from the Michigan Mosquito Control Association to Support Livingston County Health Department's Vector Surveillance Program – Health Department

- WHEREAS, as part of the Comprehensive Agreement with MDHHS, the Livingston County Health Department (LCHD) manages the Vector Surveillance Program; and
- WHEREAS, as part of this program, LCHD monitors the county for mosquitoes and ticks that may cause human disease; and
- WHEREAS, a grant opportunity became available through the Michigan Mosquito Control Association; and
- **WHEREAS,** LCHD applied and was awarded \$1,000 with no local match for the purpose of creating a "mosquito dashboard" in ArcGIS; and
- **WHEREAS,** the dashboard will be used to summarize mosquito collection data and laboratory results which will assist LCHD in making management decisions regarding mosquito borne disease investigations and future surveillance decisions; and
- WHEREAS, there are no new positions requested to carry out the duties of this grant.
- **THEREFORE, BE IT RESOLVED** that the Livingston County Board of Commissioners hereby authorizes entering into an agreement with the Michigan Mosquito Control Association for creation of a "Mosquito Dashboard" at the rate of \$1,000 for the period ending December 31, 2025.
- **BE IT FURTHER RESOLVED** that the Chairman of the Livingston County Board of Commissioners, or the County Administrator if Policy Permits, is authorized to sign all forms, assurances, contracts/agreements, renewals and future amendments for monetary and contract language adjustments related to the above upon review and/or preparation of Civil Counsel.
- BE IT FURTHER RESOLVED that the Board of Commissioners authorizes any budget amendment to

effectuate the above.

January 21, 2025

To: Livingston County Board of Commissioners

From: Matt Bolang

Re: Acceptance of Grant from the Michigan Mosquito Control Association

The Livingston County Health Department has historically conducted vector borne disease surveillance in the county focused on mosquitoes and ticks. We have some limited funding from the MDHHS Comprehensive agreement to cover the costs of this program. LCHD was made aware of some small grant opportunities through the Michigan Mosquito Control Association and applied for and were recently notified of the award in the amount of \$1,000.

LCHD's proposal is to use this funding to support existing staff and their resources to create a GIS Mosquito Dashboard. The goal of this dashboard is to summarize mosquito collection data and laboratory findings to help allocate resources more effectively and make informed decisions when human cases are identified.

If you have any questions about this grant, please feel free to contact myself or Heather Blair, Environmental Health Director.

Hi Courtney,

Thank you! We appreciate your consideration and this award. We plan to put the money to great use for our community. Due to our County Process, we are unable to accept the money until we obtain approval from our Board of Commissioners. The earliest we may receive approval would be February 24. I imagine there will be support for this project, but I wanted to let you know. Also, we won't be attending this year's conference, but we do look forward to attending in 2026.

I will keep you posted on our Board's approval. Please let me know if you have any concerns with this.

Thanks,

Heather

Subject: [EXT] MMCA Kenley Farrell Memorial Grant

"The e-mail below is from an external source. Please do not open attachments or click links from an unknown or suspicious origin."

Dear Heather Blair,

I am reaching out as the Chairperson for the Awards and Recognition Committee of the Michigan Mosquito Control Association (MMCA). This year MMCA received great interest in our Kenley Farrell Memorial Grant from many deserving applicants. After much deliberation by the committee and board, I would like to extend our congratulations as you have been selected as one of the recipients of the 2025 Kenley Farrell Memorial Grant. The Michigan Mosquito Control Association Board has chosen to award grant funds in the amount of \$1,000.00.

Recipients of the Kenley Farrell Memorial Grant, must meet the following responsibilities:

- Enhance the understanding of Michigan's mosquitoes and/or improve existing operational methods to the best of his/her abilities in compliance with accepted procedures.
- Present the results in part or in whole at the 2026 MMCA Annual Meeting.

• Acknowledge the support of MMCA and Hatfield Spraying Service in any related publication.

Please let me know if you are interested in attending the 2025 MMCA Conference to receive your grant check, wherein registration and banquet costs would be covered by the association. The conference is being held at the Park Place Hotel and Conference Center in Traverse City on Wednesday, February 5, 2025. If you are not interested or able to attend the conference, we ask that you provide the address to which we can mail the grant check as well as note to whom the check should be written. Along with receiving this grant, you will also be enrolled as a member of the Michigan Mosquito Control Association for 1 year, paid for by the association.

I look forward to hearing from you soon and am available for any questions you may have.

Regards,

Courtney Eggebrecht

2025 Kenley Farrell Memorial Grant

Sponsored by: Michigan Mosquito Control Association Hatfield Spraying Service

Purpose

A grant award to promote a better understanding of Michigan's mosquito population or improvements in operational mosquito control. This grant honors the memory of Mr. Kenley Farrell, an agricultural pilot with Hatfield Spraying Service, who was involved with mosquito control in Michigan.

Criteria

The grant will go to an individual(s) whose project/work promotes a better understanding of Michigan's mosquito population or improvements in operational mosquito control; for example, projects considered for a grant could involve introducing, expanding, enhancing mosquito biological and/or physical controls, or implementing new industry technologies such as data processing and analysis. An individual's affiliation can be with an agency, business, or academic institution. Funding can be used to purchase equipment, traps, technology, etc.; assist with funding work; or to offset overall project costs.

Judging and Award

The recipient(s) of the award will be chosen by the MMCA Awards and Recognition Committee. Judging will be based on the overall benefit of the project to enhance mosquito control in Michigan and individual need. The award may go to a candidate or candidates whose work is in any stage of completion, at the discretion of the MMCA Awards and Recognition Committee. The recipient(s) and award will be announced at the Annual MMCA Meeting in an amount determined by the MMCA Awards and Recognition Committee, not to exceed two thousand dollars (\$2,000). MMCA reserves the right not to award the grant if no submissions merit the award.

Responsibilities of the Recipient(s)

Agenda Page 10 of 37

- To enhance the understanding of Michigan's mosquitoes and/or improve existing operational methods to the best of his/her abilities in compliance with accepted procedures.
- To present the results in part or in whole at the MMCA Annual Meeting the year following the award announcement.
- To acknowledge the support of MMCA and Hatfield Spraying Service in any related publication.

Application Procedures

Individuals may <u>apply online</u> OR complete the application below and submit the application and letter of recommendation electronically to Courtney Eggebrecht at <u>info@michiganmosquito.org</u>.

Deadline for Filing

Application and letter of recommendation must be submitted electronically (via online application or email) by **December 1, 2024**. Facsimile submissions will not be accepted.

Kenley Farrell Memorial Grant Application

MMCA is a non-profit professional organization promoting mosquito control in Michigan based on the principles of Integrated Mosquito Management.

Applicant Personal Information (attach additional sheets if necessary)

Name: Heather Blair Address: 2300 E. Grand River City, State, Zip: Howell, Mi. 48843 Phone: 517-552-6810

Email: HBlair@livgov.com

Agency/Academic Affiliation: Livingston County Health Department

Title/Academic Level: Director of Environmental Health/Deputy Health Officer

Responsibilities: Manage the environmental health activities for the health department. Develop and implement policies, codes, and procedures for the enforcement of local, state, and federal environmental health statutes, regulations, and codes.

Proposal: The Livingston County Health Department would like to use this funding to support staff and their resources to create a GIS Mosquito Dashboard. The goal of this dashboard is to summarize mosquito collection data and laboratory findings to help allocate resources more effectively and make informed decisions when human cases are identified.

Objective/Goal: To create a GIS mosquito dashboard.

Background: The Livingston County Health Department has been conducting mosquito surveillance throughout the County since 2000. In 2019 there were 9 human cases of Eastern Equine Encephalitis (EEE) and 3 deaths reported in Michigan. In addition, animal cases were reported in Livingston County. This peak of activity is unusual in Michigan and the LCHD in collaboration with the Michigan Department of Community Health and Human Services determined aerial spraying was necessary to help control the population of EEE vectors. A map depicting surveillance data captured from mosquito collection and identification could have served as a reference for other targeted spraying locations.

Methods: Hire a summer intern to assist staff with compiling collection data and laboratory findings.

Signature_

Seather Blair

_____ Date <u>11/27/24</u>

To the best of my knowledge, I meet the qualification requirements listed in the MMCA bulletin.

LIVINGSTON COUNTY JOB DESCRIPTION

VETERINARIAN

Supervised By:	Animal Shelter Director
Supervises:	Departmental employees as assigned
Department :	Animal Shelter
FLSA Status:	Exempt

Position Summary:

Under the supervision of the Animal Shelter Director, this position is responsible for the overall care of the shelter animals. This position performs surgeries, including spay and neuter for shelter animals, operates high volume spay and neuter clinics for the public, and performs other additional soft tissue surgeries as needed. The Veterinarian diagnoses and sets up medical treatment plans for a wide variety of health issues in shelter animals, provides medical treatment for sick and injured strays, and performs triage as needed. This position also provides advice on animal abuse, cruelty, and/or neglect cases, provides reports for criminal cases and may serve as an expert witness on such cases.

Essential Job Functions:

An employee in this position may be called upon to do any or all of the following essential functions. These examples do not include all of the duties which the employee may be expected to perform. To perform this job successfully, an individual must be able to perform each essential function satisfactorily.

- 1. Oversees and manages all veterinary and medical care related to shelter animals. Plans and implements a comprehensive health care program including environmental sanitation, disease surveillance, physical examinations, vaccination, parasite control, disease testing and treatment, surgery, nutrition, outbreak response and environmental enrichment for animals in the shelter.
- 2. Participates in the intake process, ensuring each animal receives a physical examination upon intake and that sick and injured animals are diagnosed and treatment is prescribed.
- 3. Performs high volume spay and neuter surgeries for shelter animals and the public. Performs additional surgeries as necessary on shelter animals.
- 4. Provides triage and emergency medical care, including being on call, as needed. Emergency care includes, but is not limited to, IV catheter placement, emergency surgeries, transfusions, etc. Diagnoses and treats injuries and medical conditions with pain control, supportive, and life-saving treatments.

- 5. Monitors the health of animals in the shelter (in collaboration with shelter staff) and provides appropriate treatment when necessary.
- 6. Provides education, leadership, direction, guidance, and training for veterinary technicians, other shelter staff, and volunteers. Educates staff and volunteers in surgical anesthesia, surgical assistance and post-surgical care, animal diseases, medical treatments, testing vaccination, disease control and prevention, sanitation and public health.
- 7. Assists with developing written protocols for the shelter clinic.
- 8. Advises Animal Control Director and Animal Control Officers on abuse, cruelty, and neglect cases. Writes veterinary reports and may appear in court for such cases.
- 9. Performs necropsy on shelter animals to determine cause of death or disease for herd health information, and as legal evidence in abuse, cruelty, or neglect cases.
- 10. Keeps abreast of medical, legislative, and regulatory developments, new techniques, and current issues through continued education and professional growth. Attends conferences, workshops, and seminars as appropriate.
- 11. Communicates verbally and in writing with staff and adopters regarding the medical care provided, any special health needs and recommended follow-up for each adopted animal.
- 12. Performs all other duties as assigned.

Required Knowledge, Skills, Abilities and Minimum Qualifications:

The requirements listed below are representative of the knowledge, skills, abilities and minimum qualifications necessary to perform the essential functions of the position. Reasonable accommodations may be made to enable individuals with disabilities to perform the job.

Requirements include the following:

- Doctor of Veterinary Medicine degree and two years of experience as a veterinarian.
- The County, at its discretion, may consider an alternative combination of formal education and work experience.
- Veterinary License in the State of Michigan and in good standing with the Michigan Board of Veterinary Medicine.
- Ability to qualify and obtain a premise Schedule IV DEA license and Michigan Pharmacy License.
- Michigan Vehicle Operator's License.

- Thorough knowledge of the principles and practices of providing medical care for animals in a shelter environment, performing surgeries, and humane euthanasia.
- Considerable knowledge and skill in performing a variety of surgeries, providing education to staff, volunteers and the public on care and disease prevention of animals, and identifying animals that are victim to abuse, cruelty, and neglect.
- Skill in assembling and analyzing data, preparing comprehensive and accurate reports and the ability to identify and implement new best practices.
- Skill in effectively communicating ideas and concepts orally and in writing.
- Ability to establish effective working relationships and use good judgment, initiative and resourcefulness when dealing with County employees, contractors to the County, representatives of other governmental units, professional contacts, elected officials, and the public.
- Ability to assess situations, solve problems, work effectively under stress, within deadlines, and in emergency situations.
- Skill in the use of office equipment and technology, including Microsoft Suite applications and ability to learn any department-specific software.
- Skill in the use of a variety of veterinary medical equipment including, but not limited to, anesthesia machines, pulse oximeters, autoclave, surgical instruments, refractometer, X-ray and X-ray processor, microscope, and stethoscope.
- Ability to respond to emergencies or service needs on a 24-hour basis.

Physical Demands and Work Environment:

The physical demands and work environment characteristics described here are representative of those an employee encounters while performing the essential functions of the job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to communicate in person and by telephone, read regular and small print, view and produce written and electronic documents, and enter data on a computer keyboard with repetitive keystrokes. The employee must be mobile in an office setting, stand, sit, stoop and kneel, use hands to finger, handle, or feel and reach with hands and arms. The employee must lift or push/pull objects of up to 40 lbs. without assistance. Accommodation will be made, as needed, for employees required to lift or move objects that exceed this weight.

The typical work environment of this job is a clinical or office setting where the noise level is quiet and sometimes moderate. Though applicable safety procedures are documented and utilized, the incumbent may be exposed to unsanitary or unhygienic materials, individuals, and situations in the course of performing required duties.

Resolution Authorizing Capital Expenditure for the Purchase of Two Replacement Vans and One Replacement Bus – LETS

- WHEREAS, LETS is requesting authorization to purchase two (2) full-size vans and one (1) medium-duty bus to replace vehicles that have met Federal Transit Administration useful life criteria based on age and/or mileage; and
- **WHEREAS,** the replacement vehicles will be purchased from Hoekstra Transportation of Grand Rapids, MI using the State of Michigan Transit Vehicle Cooperative Purchasing Program; and
- **WHEREAS,** the estimated purchase costs are \$105,000 for each van and \$210,000 for the bus for a total estimated cost of \$420,000; and
- **WHEREAS,** LETS has Federal and State grant funding available that will fund 100% of the replacement cost of the buses with no local funds necessary; and
- **WHEREAS,** the replacement vans will have a useful life of 4 years or 100,000 miles and the bus will have a useful life of 7 years or 200,000 miles; and
- **WHEREAS,** the 2025 LETS budget includes funding for replacement vehicles in the amount of \$400,000 so a budget amendment in the amount of \$20,000 will be necessary.
- **THEREFORE, BE IT RESOLVED** that the Livingston County Board of Commissioners hereby authorizes capital expenditure for the purchase of one (1) medium-duty bus and two (2) full-size vans from Hoekstra Transportation of Grand Rapids, MI for an estimated cost of \$420,000.
- **BE IT FURTHER RESOLVED** that the Livingston County Board of Commissioners authorizes any budget amendments necessary to effectuate the above.
- **BE IT FURTHER RESOLVED** that the LETS Director is hereby authorized to dispose of the replaced buses per the County Purchasing/Disposal Policy.

Memorandum

To:Livingston County Board of CommissionersFrom:Greg Kellogg, Transportation DirectorDate:1/27/2025Re:Resolution Authorizing Capital Expenditure for the Purchase of Two
Replacement Vans and One Replacement Bus - LETS

LETS is requesting authorization to purchase two (2) full-size vans and one (1) medium-duty bus to replace vehicles that have met Federal Transit Administration useful life criteria based on age and/or mileage.

The replacement vehicles will be purchased from Hoekstra Transportation of Grand Rapids, MI using the State of Michigan Transit Vehicle Cooperative Purchasing Program. The estimated purchase costs are \$105,000 for each van and \$210,000 for the bus for a total estimated cost of \$420,000 as configured.

LETS has Federal and State grant funding available that will fund 100% of the replacement cost of the buses with no local funds necessary. The replacement vans will have a useful life of 4 years or 100,000 miles and the bus will have a useful life of 7 years or 200,000 miles.

The 2025 LETS budget includes funding for replacement vehicles in the amount of \$400,000 based on preliminary estimates, so a budget amendment in the amount of \$20,000 will be necessary to bring the budget in line with the estimated cost as configured.

Please do not hesitate to contact me with any questions at 517-540-7843.

Resolution Authorizing a Replacement Vehicle Lease for the Sheriff Field Services Division – Car Pool

- WHEREAS, the Livingston County Car Pool Department is requesting authorization to replace one (1) patrol vehicle in the Sheriff Field Services Division's fleet with a new lease from Enterprise Fleet Management; and
- **WHEREAS,** the vehicle being replaced is a leased 2021 Dodge Charger Pursuit that will require at least \$5,700 in repairs to the power steering system and front suspension to remain in service; and
- **WHEREAS,** the vehicle has been in service for 47 months and has 93,000 miles on the odometer with no factory warrant remaining; and
- WHEREAS, due to the vehicle's age and the high cost of repairs that would be necessary to return the vehicle to service, Car Pool recommends decommissioning the vehicle and replacing with a new lease; and
- WHEREAS, the vehicle has 13 months remaining on a 60-month lease, and upon turn-in the County will owe Enterprise the Residual Book Value of \$9,256; and
- **WHEREAS,** Enterprise will auction the vehicle and the sale proceeds will be credited to offset the amount owed, and any remaining funds will be credited to the new lease to reduce the monthly payments; and
- **WHEREAS,** the replacement vehicle will be a 2024 Dodge Durango Pursuit with an estimated lease payment of \$850 per month and a lease term of 60 months; and
- **WHEREAS**, vehicle operating costs for fuel, insurance, and maintenance are included in the department's 2025 Auto Leasing budget, but the lease payments on the replacement vehicle are approximately \$325 per month higher than the current lease and therefore a budget amendment estimated at \$3,900 will be necessary.
- **THEREFORE, BE IT RESOLVED** that the Livingston County Board of Commissioners hereby authorizes the Car Pool department to replace one (1) leased patrol vehicle in the Sheriff Field Services Division fleet with a new lease from Enterprise Fleet Management with an estimated annual lease cost of \$10,200.
- **BE IT FURTHER RESOLVED** that the Livingston County Board of Commissioners authorizes any budget amendments necessary to effectuate the above.

Memorandum

To:Livingston County Board of CommissionersFrom:Greg Kellogg, Transportation DirectorDate:01/21/2024Re:Resolution Authorizing a Replacement Vehicle Lease for the Sheriff Field
Services Division – Car Pool

The Livingston County Car Pool Department is requesting authorization to replace one (1) patrol vehicle in the Sheriff Field Services Division's fleet with a new lease from Enterprise Fleet Management. The vehicle being replaced is a leased 2021 Dodge Charger Pursuit that will require at least \$5,700 in repairs to the power steering system and front suspension to remain in service, per the attached estimate.

The vehicle has been in service for 47 months and has 93,000 miles on the odometer with no factory warrant remaining. Given the vehicle's age and the high cost of repairs that would be necessary to return the vehicle to service, Car Pool recommends decommissioning the vehicle and replacing with a new lease.

The vehicle has 13 months remaining on a 60-month lease, and upon turn-in the County will owe Enterprise the Residual Book Value of \$9,256. Enterprise leases are open-ended so there are no additional penalties or fees for early or late turn-ins. Enterprise will auction the vehicle and the sale proceeds will be credited to offset the amount owed. Any remaining funds will be credited to the new lease to reduce the monthly payments.

The replacement vehicle will be a 2024 Dodge Durango Pursuit with an estimated lease payment of \$850 per month and a lease term of 60 months. Vehicle operating costs for fuel, insurance, and maintenance are included in the department's 2025 Auto Leasing budget. The lease payments on the replacement vehicle are approximately \$325 per month higher than the current lease and therefore a budget amendment estimated at \$3,900 will be necessary.

As always, if you have any questions please do not hesitate to contact me directly at 517-540-7843.

Resolution Authorizing an Increase in Total Authorized Vehicles for the Sheriff Field Services Division - Car Pool

- **WHEREAS,** the Sheriff Field Services Division is requesting authorization to add one (1) patrol vehicle to its current authorized fleet of 70 vehicles, which includes 45 patrol vehicles and 25 admin/detective vehicles; and
- **WHEREAS,** the additional patrol vehicle will be used as a pooled patrol unit and will also serve as a backup K9 unit for the Jail;
- **WHEREAS,** the fleet addition will not require a new lease and will be implemented by retaining a leased 2020 Dodge Durango that has reached the end of its 60-month lease term and is in good condition; and
- **WHEREAS,** Enterprise leases have open-ended terms with no mileage caps, and the vehicle can be retained for a cost of \$25 per month with no additional penalties; and
- WHEREAS, estimated annual operating costs are \$6,600 for fuel, insurance, and maintenance; and
- **WHEREAS,** the fleet addition was not included in the department's 2025 Auto Leasing budget and therefore a budget amendment estimated at \$6,900 will be necessary to cover the additional lease payments and operating costs.

THEREFORE, BE IT RESOLVED that the Livingston County Board of Commissioners hereby approves an increase in total authorized vehicles for the Sheriff's Office Field Services Division from seventy (70) vehicles to seventy-one (71) vehicles.

BE IT FURTHER RESOLVED that the Livingston County Board of Commissioners authorizes any budget amendments necessary to effectuate the above.

Memorandum

To:	Livingston County Board of Commissioners
From:	Greg Kellogg, Transportation Director
Date:	1/21/2025
Re:	Resolution Authorizing an Increase in Total Authorized Vehicles for the Sheriff Field Services Division – Car Pool

The Sheriff Field Services Division is requesting authorization to add one (1) patrol vehicle to its current authorized fleet of 70 vehicles, which includes 45 patrol vehicles and 25 admin/detective vehicles. The additional vehicle will be used as a pooled patrol unit and will also serve as a backup K9 unit for the Jail when the designated K9 unit is out of service for maintenance or repairs.

The fleet addition will not require a new lease and will be implemented by retaining a leased 2020 Dodge Durango that has reached the end of its 60-month lease term and is in good condition. Enterprise leases have open-ended terms with no mileage caps, and the vehicle can be retained for a cost of \$25 per month with no additional penalties. The estimated annual operating costs are \$6,600 for fuel, insurance, and maintenance.

The fleet addition was not included in the department's 2025 Auto Leasing budget and therefore a budget amendment estimated at \$6,900 will be necessary to cover the additional lease payments and operating costs.

As always, please do not hesitate to reach out to me with any questions at 517-540-7843.

Resolution to Authorize the Livingston County Airport to Apply for Grant Funds from the Michigan Department of Transportation and Federal Aviation Administration for the Construction of the Snow Removal Equipment (SRE) Building – Airport

- **WHEREAS,** the construction of a Snow Removal Equipment (SRE) building has been a long term goal of the airport; and
- WHEREAS, the design of the facility has been completed and the project is currently out to bid; and
- WHEREAS, Airport entitlement funds are available which must be requested as a part of the grant application process through the Michigan State Block Grant Program for FY 2022 Bipartisan Infrastructure Law (BIL) Airport Infrastructure Grants (AIG) Airport Improvement Program (AIP) and Non-Primary Entitlements (NPE); and
- **WHEREAS,** the application will be submitted after a contractor has been selected on or before March 1, 2025; and
- **WHEREAS,** the total amount of the funds requested will follow the total cost of the building that will be eligible for these funds, with a 2.5% local match for the AIP funded portion; and
- WHEREAS, no new positions are being requested to carry out the duties of the grant; and

THEREFORE, BE IT RESOLVED that the Livingston County Board of Commissioners authorizes the Livingston County Airport to apply for grant funds from the Michigan State Block Grant Program FY 2022 Bipartisan Infrastructure Law (BIL) Airport Infrastructure Grants (AIG) Airport Improvement Program (AIP) and Non-Primary Entitlements (NPE) through the Michigan Department of Transportation to fund the eligible portions of the construction of the Snow Removal Equipment (SRE) Building at the Livingston County Airport.

BE IT FURTHER RESOLVED that the Chairman of the Livingston County Board of Commissioners, or the County Administrator if Policy Permits, is authorized to sign all forms, assurances, contracts/agreements, renewals and future amendments for monetary and contract language adjustments related to the above application upon review and/or preparation of Civil Counsel.

MEMORANDUM

TO: Livingston County Board of Commissioners

FROM: Mark D. Johnson Mach

DATE: January 21, 2025

RE: SRE Grant Application / Acceptance

A grant application must be made on or before March 1, 2025 for grant funds for the construction of the Snow Removal Equipment (SRE) Building at the Livingston County Airport. This application must be based upon the bid amount of the project. Bids are due February 14, 2025, to Fiscal Services.

The following grant funds are available for through the FAA Airport Improvement Program and the Bi-Partisan Infrastructure Law:

Year	AIP Available	BIL Availab	le
2021	\$1,075		
2022	\$150,000	\$295,000	
2023	\$150,000	\$292,000	
2024	\$150,000	\$294,000	
2025	\$150,000*	\$282,000*	*available after 2025 federal budget approved

The grant funds must be released by the FAA prior to the end of Fiscal 2025, but the exact timing is unknown.

The resolution also authorizes the acceptance of the grant funds once they have been authorized.

LIVINGSTON COUNTY	DATE:	Click or tap to enter a date.

Resolution Authorizing an Advance from the Delinquent Tax Revolving Funds to the Airport Capital Improvement Fund for the Purpose of Paying Construction Costs for the Snow Removal Equipment Building – Treasurer /Airport

WHEREAS,	the Livingston County Spencer J. Hardy Airport has determined a need for the construction of a snow removal equipment building; and	
WHEREAS,	the total of the project has been estimated at \$2,691,000; and	
WHEREAS,	Federal Aviation Administration grant dollars estimated in the amount of \$1,833,000 will be available as partial funding for this project; and	
WHEREAS,	the final project bids are to be received by February 14, 2025 in order to be included with the grant application due to the FAA by March 1, 2025; and	
WHEREAS,	while an application for grant funds with bids is due March 1, 2025, the grant funds are not expected to be available until late fall; and	
WHEREAS,	waiting for grant funds will push the project to a fall start, or possibly a spring 2026 start. Under FAA rules, the contractor can decline the project if a Notice to Proceed is not issued within 120 days of signing the contract; and	
WHEREAS,	if we anticipate a spring 2026 start date, the bids will reflect a cost increase for the anticipated increase in construction costs of the year; and	
WHEREAS,	the Livingston County Airport Manager and Livingston County Treasurer have structured a financing plan based upon the estimated costs of which \$500,000 would be covered by available cash on hand within the Airport's Operating Fund, the remainder of the project costs (\$2,191,000) would be advanced from the Delinquent Tax Revolving Funds to the Airport Capital Improvement Fund with \$1,833,000 being repaid upon receipt of the FAA grant funds, and the remaining project costs of \$358,000 would be repaid over a period of 20 years; and	
WHEREAS,	interest on the advance shall be charged at an annual rate of 4.75%; and	
WHEREAS,	this financing strategy will allow the project to commence while awaiting the receipt of the federal funds, and result in interest earnings to the Delinquent Tax Revolving Funds in an amount equivalent to the current market yield on a 20-year investment.	
THEREFORI	E, BE IT RESOLVED the Livingston County Board of Commissioners hereby authorizes an	

advance not to exceed \$2,191,000 from the Delinquent Tax Revolving Funds to the Airport Capital Improvement Fund, at an annual rate of 4.75% for a period of 20 years, in order to construct a snow removal equipment building.

#

_

BE IT FURTHER RESOLVED the advance stated above is contingent upon the Board of Commissioner's

approval of the overall project and award and acceptance of the FAA grant funds.

#

Resolution to Concur with the Livingston County Aeronautical Facilities Board to Enter Into an Agreement with ______ for the Construction of a Snow Removal Equipment (SRE) Building - Airport

- **WHEREAS,** the Livingston County Aeronautical Facilities Board and Fiscal Services have solicited bids for the construction of a SRE building at the Livingston County Airport; and
- WHEREAS, bids will be received on February 14, 2025; and
- WHEREAS, ______ has been selected to provide these construction services; and
- **WHEREAS,** the amount of the agreement is not to exceed \$_____ and the project will be funded by a combination of Federal, State and Local funds; and
- WHEREAS, a June 1, 2025 start date for construction is anticipated.

#

THEREFORE, BE IT RESOLVED that the Livingston County Board of Commissioners concurs with the

Livingston County Aeronautical Facilities Board to enter into an agreement with ______ for

construction of the SRE building in an amount not to exceed \$_____.

BE IT FURTHER RESOLVED the local share of the project shall be paid from airport retained earnings and an advance from the Delinquent Tax Fund.

BE IT FURTHER RESOLVED that the Chairman of the Livingston County Board of Commissioners, or the County Administrator if Policy Permits, is authorized to sign all forms, assurances, contracts/agreements, renewals and future amendments for monetary and contract language adjustments related to the above upon review and/or preparation of Civil Counsel, including any necessary utility easements.

MEMORANDUM

TO: Livingston County Board of Commissioners

FROM: Mark D. Johnson MDC Airport Manager

DATE: January 21, 2025

RE: SRE Construction Contract

C&S Engineers has finished the design phase of this project and bids for the construction of the building are due on February 14, 2025.

The engineering estimate for construction is \$2,691,403.35 and a portion of the project will be funded by grant funds through the Federal Aviation Administration and the Michigan Department of Transportation.

The contractor and construction cost will be available for the February 24, 2025 meeting of the Livingston County Board of Commissioners, but that information will not be available until bids are received and reviewed.

This resolution will be updated prior to the meeting of the Livingston County Board of Commissioners.
