"The general property tax act," (MCL 211.1 to 211.155)
by adding section 9p**

WHEREAS, Senate Bill (SB) 1031 seeks to amend the General Property Tax Act to exempt qualified utility personal property from the collection of taxes under the Act; and

WHEREAS, "Qualified utility personal property" under the Act would include both of the following utility personal property: electric transmission and distribution systems, substation equipment, spare parts, gas distribution systems, water transmission and distribution systems, gas storage equipment, and transmission lines of gas or oil transporting companies; that was initially installed in the State after December 31, 2017; and

WHEREAS, SB 1031 in its present form as introduced on May 29, 2018, will impose a financial burden on Leelanau County and its local units, as it will not only reduce personal property tax revenues in 2019, but every year thereafter those annual losses will continue to increase; and

WHEREAS, SB 1031 was reported favorably by the Senate Committee on Finance without amendment for immediate effect to the Committee of the Whole on June 6, 2018.

MECOSTA COUNTY RESOLUTION
#2018-08

Opposition to HB 6049 and SB 1025

The following preamble and resolution were offered by Commissioner STEINKE
and supported by Commissioner SOLIS:

WHEREAS, House Bill (HB) 6049 and Senate Bill (SB) 1025 seeks to completely restructure the tax assessing process in Michigan by moving responsibility for assessing from the local units to the various County Equalization Offices, and

WHEREAS, HB 6049/SB 1025 will significantly increase Mecosta County's costs, to provide the assessing services that will be required thru the hiring of additional staff, building of additional office space, and the requirement to hire a Master Assessing Officer in addition to our current Advanced Assessing Officer/Equalization Director, and

WHEREAS, HB 6049/SB 1025 does not identify an adequate source of revenue to cover the County's additional costs, as the assumption that the 1% administrative fee will be adequate to fund the changes is in grave error, and

WHEREAS, HB 6049/SB 1025 will therefore result in an un/underfunded mandate to Mecosta County in violation of Article IX Section 29 of the Michigan Constitution which states in part: *"A new activity or service or an increase in the level of any activity or service beyond that required by existing law shall not be required by the legislature or any state agency of units of Local Government, unless a state appropriation is made and disbursed to pay the unit of Local Government for any necessary increased costs."*, and

WHEREAS, HB 6049/SB 1025 mandated changes to Boards of Review will not be attainable as written due to inadequate numbers of qualified volunteers to staff the Boards, and

WHEREAS, HB 6049/SB 1025 appears to be a solution in search of a problem that does not exist in Mecosta County, or a one size fits all solution that will not in fact serve any jurisdiction well, now.

THEREFORE BE IT RESOLVED THAT, the Mecosta County Board of Commissioners does hereby oppose HB 6049/SB 1025.

AYES: Commissioners: R. Steinke, M. Solis, T. O'Neil, L. Howard,

BAY COUNTY BOARD OF COMMISSIONERS

JULY 10, 2018

RESOLUTION

BY: BAY COUNTY BOARD OF COMMISSIONERS

WHEREAS, House Bill (HB) 6049 and Senate Bill (SB) 1025 seeks to completely restructure the tax assessing qualifications, process and boundaries of local assessing units in Michigan; and

WHEREAS, HB 6049/SB 1025 will impose a huge financial burden on Bay County as well as Michigan's other counties and local units because its mandates will require increased staffing levels and office space while providing a woefully inadequate 1% administrative fee and undefined "start-up funding" to compensate the counties and other local units for the drastic expenses that will surely accompany the new mandates; and

WHEREAS, HB 6049/SB 1025 will put Bay County at odds with its local townships by requiring us to take the 1% administration fee from the local units to pay for our increased costs; and

WHEREAS, HB 6049/SB 1025 changes the manner in which local boards of review (BOR) are conducted. By putting specialized BOR's at the county level, HB 6049/SB 1205 has the potential to strip elected township supervisors and local assessing units of control over the tax assessing process, depriving them of the ability to account for unique conditions and values unknown to county-wide, regional and/or statewide assessing units but well known in the local units; and

WHEREAS, HB 6049/SB 1025 appears to have been designed without any input from existing assessors or their associations and the previous drafts were not made public to the counties and townships directly affected by its sweeping changes until nearly ready for introduction into the Michigan Legislature; and

WHEREAS, there are no guarantees that quality education will be available locally or even regionally to allow for the increased certification levels imposed by HB 6049/SB 1025; and

WHEREAS, HB 6049/SB 1025's proposed levels of certification for assessors will not achieve the results that are being sought. The real problem is bad assessors, not their levels of certification. The solution lies in better policing of assessors by the State Tax Commission, not simply imposing increased educational requirements that may be impossible to achieve and that do nothing to weed out the bad assessors; and

WHEREAS, Bay County views HB 6049/SB 1025 in its current form as an unfunded mandate which does little or nothing to accomplish its stated goals; Therefore, Be It

RESOLVED that the Bay County Board of Commissioners hereby opposes HB 6049/SB 1025 and asks that it be referred back to the House Tax Policy Committee and the Senate Finance Committee until the funding issues and other problems identified above can be properly addressed.

**A RESOLUTION Opposing Extraction of Michigan's Waters by Nestlé
And Banning the Purchase of Nestlé Brand Bottled Water by Washtenaw County**

WASHTENAW COUNTY BOARD OF COMMISSIONERS

July 11, 2018

WHEREAS, the Washtenaw County Board of Commissioners is committed to serving as an effective and careful steward of our natural resources and environment, including the waters of our state, and believes that doing so is a fundamental responsibility of government at all levels; and

WHEREAS, threats to Michigan's drinking water supply are an ongoing and serious public health concern, and include increasing problems with water scarcity and contamination due in part to overdraws from Michigan's aquifers and groundwater; and

WHEREAS, the Washtenaw County Board of Commissioners is committed to sustaining its substantial, ongoing efforts to reduce consumption of bottled water, which include installation and maintenance of water bottle filling stations in County buildings and provision of employee water dispensers; and

WHEREAS, Nestlé has acted in an aggressive way to dominate the bottled water industry in Michigan and elsewhere, acting recklessly with regard to the environment and without fair or adequate compensation to the People of Michigan or to local communities for the extraction of resources that are a public and common good; and

WHEREAS, Nestlé extracts more than twice as much water from Michigan than from any other Midwestern state; and

WHEREAS, Nestlé sells more than \$340 million annually of bottled water extracted from Michigan, while paying only nominal fees for doing so; and

WHEREAS, Nestlé has persisted in pursuing increased pumping of Michigan groundwater against the strong and demonstrated desire of local communities, most recently in Osceola Township, where opposition to Nestlé increased pumping operations was expressed in over 80,000 comments and over 330,000 petition signatures submitted to the Michigan Department of Environmental Quality;

THEREFORE BE IT RESOLVED , the Washtenaw County Board of Commissioners opposes large-scale extraction of Michigan waters by Nestlé or any other corporate entity without rigorous environmental testing and monitoring designed to ensure long-term sustainable operations that do not affect the water supply of the people of Michigan, without agreement by all potentially affected local communities; and without fair compensation; and

THEREFORE BE IT RESOLVED, the Washtenaw County Board of Commissioners is committed to ensuring that Washtenaw County does not purchase bottled water from Nestlé; and

BE IT FURTHER RESOLVED, Washtenaw County will no longer purchase Nestlé bottled water under any brand name, including but not limited to the following brand names commonly sold in Michigan: “Ice Mountain,” “Pure Life,” and “Poland Spring”; and

BE IT FURTHER RESOLVED, Washtenaw County will update its procurement procedures, effective no later than September 1st, 2018, to reflect and implement the Board of Commissioners’ intent to end the purchase of Nestlé bottled water; and

BE IT FURTHER RESOLVED, the Washtenaw County Board of Commissioners directs the County Administrator to send copies of this Resolution to the Michigan Association of Counties, the other 82 Michigan counties; and our representatives in the Michigan State House and Michigan State Senate.

2019 Work Agreement Supplemental Document

This document was created by the Michigan State Police/Emergency Management and Homeland Security Division (MSP/EMHSD) and is supplemental to the 2019 Emergency Management Performance Grant (EMPG) Work Agreement/Quarterly Report (EMHSD-31). This document provides additional information to local emergency management programs to assist with the completion of the EMHSD-31. Each quarter the EMHSD-31 must be completed electronically and submitted through the MSP/EMHSD electronic survey system. Once the local Emergency Management Coordinator (EMC) submits the EMHSD-31, it will be forwarded to the District Coordinator (DC) for review and approval.

This document is organized by the 2019 EMHSD-31 items which are based on the standards identified in the EMHSD Publication 206: Local Emergency Management Standards. Pub 206 standards follow the Emergency Management Accreditation Program (EMAP).

The goal of each work agreement objective is identified in this document along with additional information and available resources that may assist in the completion of the objective.

Work Agreement Objective 1: Administration and Finance

Goal: Verify that the appropriate administration and financial documents are submitted on time to MSP/EMHSD.

Pub 206 Standard: Section 4.1

Metrics:

- Indicate whether EMPG reports and financial documentation were submitted
 - Select Yes or No.

Notes:

- 1st Quarter Documents: 2019 EMD-007, EMHSD-31
- 2nd Quarter Documents: 2019 EMD-007, EMHSD-31
- 3rd Quarter Documents: 2018 EMD-007, EMHSD-31
- 4th Quarter Documents: 2018 EMD-007, EMHSD-31, Current Position Description for EMPG funded personnel, EMD-17, EMHSD-31
- There is no form for position descriptions, information can be sent in any format.
- The position descriptions are required to show that the duties being performed are in line with EMPG, especially for those that hold multiple positions. It is not a problem to submit the same position description with no changes each year.
- The original Initial Work Agreement with signatures containing the Chief Elected Official and Emergency Management Program Manager are due by the deadline determined by MSP/EMHSD which is October 15, 2018.
- The EMHSD-31 will be submitted electronically, electronic signatures are acceptable.
- The financial forms will not be submitted electronically.

Work Agreement Objective 2: Laws and authorities

Goal: Verify attendance at quarterly district meetings and other meetings related to emergency management, which may assist in the execution of emergency management activities within the jurisdiction. This objective will assist in identifying functional areas where additional coordination and communication efforts are needed.

Pub 206 Standard: Section 4.2

Metrics:

- Indicate whether the quarterly district meeting was attended
 - Select Yes or No.
- List the number of meetings attended per Emergency Support Function (ESF)
 - E.g. ESF #1 Transportation, # of Meetings 2
 - ESF #7 Logistics, # of Meetings 1

Notes:

- The federal ESFs were chosen for the work agreement as a way to organize meetings by type. The program/EOC does not need to be structured according to the 15 Federal ESFs to report in this format.
- Document meetings held with functional areas/annex heads regarding plan updates and other types of meetings e.g., Ebola concerns resulted in an increase of public health meetings.
- This objective will identify areas where more coordination and communication are needed, e.g. programs affected by flooding or disaster incidents should be participating in long term recovery meetings. If this is not occurring, MSP/EMHSD can analyze and address, e.g. a local program may not be aware of meetings held by the Michigan Department of Health and Human Services (MDHHS) and/or MI Voluntary Organizations Active in Disaster (VOAD). MSP/EMHSD can help bridge this gap.
- Difference between Regional and District meeting types:
 - Regional – Planning, UASI, Board meetings
 - District – District meetings and any additional meetings conducted by the DC
- Do not track meetings in this area that are addressed elsewhere in the work agreement (e.g., Local Planning Team (LPT), Local Emergency Planning Committee (LEPC), etc.).
- If a meeting occurs with multiple functional areas, it can be counted in each appropriate ESF, e.g. an Emergency Operation Center (EOC) planning meeting can include multiple functional areas at once. A 1 can be counted in Transportation, Communications, and Firefighting if all were present at the meeting.
- The EMC does not need to attend all types of meeting.

Work Agreement Objective 3: Hazard Identification, Risk Assessment, and Consequence Analysis

Goal: Identify risk/vulnerability assessments that are completed in each jurisdiction. This objective is more detailed than #4 Hazard Mitigation. This objective should identify new hazards and identify vulnerabilities that may not have a hazard mitigation strategy associated with it. #4 Hazard Mitigation is a broad (5-year) view of mitigation objectives and action items. The activities identified in this standard may relate to the development of the Hazard Mitigation Plan and may also support activities in #5 Prevention and #6 Operational Planning.

Pub 206 Standard: Section 4.3

Metrics:

- List the number of assessments completed in the I.P. Gateway tool.
 - This is the new system that has replaced ACAMS. It has been rolled out to all regional programs.
- List the number of risk assessments completed for critical infrastructure facilities such as schools, stadiums, chemical plants, etc.
- List the number of risk assessments completed for special events such as fairs, conventions, concerts, etc.
- List the number of risk assessments completed for local municipalities.
 - This may include a Threat and Hazard Identification and Risk Assessment (THIRA), Hazard Analysis Plan, use of Hazus, etc.
- List the number of risk assessments completed for the county.
 - This may include THIRA, Hazard Analysis Plan, use of Hazus, etc.

- When using the State Hazard Mitigation Plan and the Michigan Hazard Analysis as references, users should use the most up to date document. The Hazard Mitigation Plan contains a more up-to-date Hazard Analysis after it is updated.
