Dear Commissioners,

Livingston County Veteran Services respectfully requests a grant of \$64,520.00. The grant money will be utilized for the goal of enhancing and improving county veteran service operations, to connect more veterans to their benefits and provide consistent access to services.

Specifically, the funding will be utilized to fund the new rent amount of the new Veteran Services lease through fiscal year 2021. The remaining amount will be allocated to develop a Customer Relationship Management software database system to better serve and track our veterans and their dependents.
