**Resolution Authorizing Funds for the Purchase of Mobile Data Computers for Livingston County Emergency Medical Services Utilizing FY 2018 and FY 2019 Homeland Security Grant Program Funds - Emergency Management**

**WHEREAS,** the FY 2018 and FY 2019 Homeland Security Grant Program (HSGP) contains funding for the State Homeland Security Program (SHSP) projects that can be utilized to support Emergency Medical Service (EMS) to prevent, respond to, and or recover from a terrorism related event.; and

**WHEREAS,** the FY 2018 and FY 2019 HSGP - SHSP grant allocations for Livingston County Projects is currently \$32,429.81; and

**WHEREAS,** Livingston County EMS is in need of replacing Mobile Data Computers and Docking Stations (collectively referred to as MDCs) in medical response units. Their current MDCs are antiquated and are at an “end of life” status; and

**WHEREAS,** the Livingston County Local Planning Team has voted to dedicate the above-stated HSGP funding allocation to the purchase of new MDCs for Livingston County EMS responders. With the funding available, and the cost for each MDC being \$2,925.08 dollars, a total of Eleven (11) units could be purchased for Livingston County EMS.

**THEREFORE BE IT RESOLVED** that the Livingston County Board of Commissioners hereby approves the use of available funds from the FY 2018 and FY 2019 Homeland Security Grant Program to support Livingston County Emergency Medical Services in the acquisition of Eleven (11) Mobile Data Computers and Docking Stations at the total cost of \$32,175.88. This purchase will be from DELL, a sole source provider, through the Livingston County IT Department.
