

Local "State of Emergency" County of Livingston

Submission date: December 8, 2020

To: Deputy State Director of Emergency Management and Homeland Security – Emergency Management and Homeland Security Division, Michigan State Police; District 1 Emergency Management and Homeland Security Division Coordinator

Beginning on March 10, 2020 the County of Livingston sustained widespread injury, loss of life, and damaging economic impact caused by the novel coronavirus (COVID-19), a respiratory disease that can result in serious illness or death. As a result of this situation, the following conditions exist: As of 12-7-2020, Livingston County has experienced 5922 cases of COVID 19, and 52 deaths. Cases are currently on the rise, and a vaccine to combat the COVID 19 virus will likely not be available to the general public until spring of 2021, at the earliest. Livingston County is currently complying with the MDHHS issued epidemic orders under MCL 333.2253, which grants certain powers to the director of the department to protect public health. These epidemic orders partially replaced the EOs issued by Governor Whitmer to protect public health and safety. This includes the ability to hold public meetings electronically / virtually and to be in compliance with the Michigan, Open Meetings Act.

On October 16, 2020 Senate Bill 1108 extended the ability to hold public meetings electronically / virtually through December 31, 2020 and retroactively from March 18, 2020.

The COVID 19 health crisis is expected to continue through the greater part of 2021. The health, safety, and welfare of Livingston County citizens, directors, and government leadership is of paramount concern. This state of emergency is being declared by Livingston County in order to take actions at the local level to protect the afore mentioned groups from the spread of infection, illness, and possible death caused by the COVID 19 virus.

Due to the prolonged nature of this event, this emergency declaration remains in effect until March 31, 2021 or when the board acts to terminate or extend the state of emergency.

Therefore, as Board of Commissioners Chairperson of the County of Livingston in accordance with Section 10 of 1976 PA 390, as amended, I hereby declare that a "state of emergency" exists within our jurisdiction as of December 8, 2020, and that local resources are being utilized to the fullest possible extent. The response and recovery elements of our emergency operations plan have been activated.
