Re: Radio Maintenance Service Agreements:

(Motorola Communications)

All critical Radio Systems require regular preventative maintenance checks in order to satisfy the manufacturer's specifications and to ensure peak performance. Our current contract with Motorola expires on June 30, 2021. Motorola is proposing a 5 year radio maintenance contract for \$335,970.00. By signing a five year agreement we will save a total of \$11,000.00 over the length of the agreement. Therefore, I am requesting that the attached resolution be approved authorizing a five-year maintenance agreement with Motorola covering all components of the Radio Systems for the period of July 1, 2021 – June 30, 2026, for a cost not to exceed \$335,970.00. Pricing is per the State of Michigan Mideal contract # 071B2200101.
