## Memorandum

**To: Livingston County Board of Commissioners**  
**From: Therese CremonTE, Emergency Manager**  
**Date: 1/25/2021**  
**Re: Livingston County Participation in the Statewide Tornado Drill**  
**on March 24, 2021**

---

This resolution is to request the support of the Livingston County Board of Commissioners for Livingston County offices and personnel to participate in the Michigan Statewide Tornado Drill on Wednesday, March 24, 2021 at 1:00 PM.

This would be a repeat exercise of the drill that was conducted in April of 2016, 2017, 2018, and March 2019. During this life safety drill, we continue to emphasize communications and warning along with sheltering. There will be a tornado siren test and an initial warning from the Livingston County Public Alerting System (LCPAS) going out to the public and to the county buildings for this drill event. After approximately 20 minutes, an "all clear" message will be sent out on the LCPAS.

It is expected that county offices that are able participate take the twenty minutes to review safety procedures and sheltering in their buildings in the event of severe weather or tornado. It is also recommended that they include the public visiting their office at the time of the drill, if the public would like to be included. Participation is voluntary. The Board of Commissioners is being requested to support the tornado / severe weather drill so that if county offices have the ability to perform the drill, they may.

This drill has been a success for Livingston County in the past. It is a proactive effort to support preparation and planning for the community. This drill is designed to make our citizens and employees more resilient during severe weather or a tornado emergency by practicing and discussing communication, and emergency sheltering capabilities.
