Re: Resolution Authorizing 2016 Homeland Security Grant

The United States Department of Homeland Security (DHS) annually issues a non-competitive, pass-through grant to states, regions, urban areas and counties to build and sustain preparedness, as well as recover from incidents of national significance called the Homeland Security Grant Program (HSGP). The Michigan Department of State police emergency management and homeland security division (EMHSD) administers the HSGP on behalf of the DHS. Livingston County is in EMHSDs region one. The Region One '17 HSGP local amount is based on population, the Region One Executive Committee allocated \$83,727.91 of HSGP funding to Livingston County for local projects at the discretion of the Local Planning Team (LPT).

The Region One has further allocated up to \$50,000.00 to support the employment of a Region One Planner position that is hosted by Livingston County and another \$5,000.00 to support Livingston County participation in the Michigan State Police sponsored Great Lakes Homeland Security Conference. Total FY-17 HSGP funding available for Livingston County through Region One is \$138,727.91

Annual HSGP participation requires various officials of Livingston County to submit grant agreements, project justification forms, actual costs justification forms, allowabililty forms, reimbursement forms, environmental and historic preservation forms, fiduciary agreements, and other documents to receive HSGP funds and participate in Region One projects supported by and paid for out of Region One's allocation.
