Re: Amending Resolution #2017-08-137 for Addition and Removal of
Appointees to the Livingston County Local Emergency Planning
Committee (LEPC) – Emergency Management/ Public Safety / Finance
Board of Commissioners

This is to request an amendment to the current appointees of the Livingston County Local Emergency Planning Committee (LEPC).

The current LEPC members were appointed through resolution #2017-08-137, on August 7, 2017. The term of appointment will end December 31, 2019.

Since the initial appointments to the Livingston County LEPC in August of 2017, it has been noted that some changes should be made to the LEPC membership in the form of additions and removals for various reasons.

The LEPC was born from the Emergency Planning and Community Right-to-know Act of 1986 and was designed to help communities plan for chemical emergencies. The LEPC has become a committee to assist with planning for all hazards and keeping the community informed through its membership.

It is for the benefit of Livingston County as a whole and the membership of the current LEPC that the amendment to Resolution # 2017-08-137 for the addition and removal of members is being requested.
