Re: Resolution to Authorize Extension of the Veterans Treatment Court Attorney Services Contract and Intensive Treatment Mental Health Court Attorney Services Contract made by the 44th Circuit Court & 53rd District-Specialty Courts and Programs until 03/31/2021

The Veterans Treatment Court Attorney Services and Intensive Mental Health Court Attorney Services contracts were awarded to Paige Favio, under Contract No. 529 and 368. These contracts are set to expire on September 30, 2021.

The Specialty Courts and Programs would like to request an extension of these contracts, for an additional 6 months, to ensure continuity of services as we work with the Public Defenders Office to explore the possibility of partnering with them to provide representation on our Specialty Court Teams. The Specialty Courts and Programs would like to request an extension of these contracts with Ms. Favio until March 31st, 2022.

The funding for these contracts is contingent upon the award of the FY2022 SCAO Grants.

Thank you in advance for your consideration. If you have any questions regarding this matter, please do not hesitate to contact me.
