

**MICHIGAN OFFICE OF HIGHWAY SAFETY PLANNING
FY2022 GRANT MANAGEMENT REQUIREMENTS (GMRs)**

1. All correspondence to the Office of Highway Safety Planning (OHSP) regarding this project shall include the project number, example: OP-22-01.
2. Each grant is required to have, at a minimum, three separate individuals: one serving as an authorizing official, one as a project director, and one as a financial officer. A change in project director, agency contact, financial officer, authorizing official, addresses, email, or telephone numbers requires written notification to the OHSP. The project director is responsible for also making these changes to the web-based grant application.
3. The OHSP is required by the National Highway Traffic Safety Administration (NHTSA) to evaluate and document the risk for each entity applying for federal grant funds prior to making an award. The grantee (and all sub-recipients and contractors) must register or annually update their registration in the online System for Award Management (SAM) at <https://www.sam.gov> to be eligible for federal and state grants. The OHSP will verify, within the SAM, there are no outstanding issues or concerns. Grantees must update their FY2022 web-based grant application with their new Unique Entity Identifier (UEI).
4. The OHSP may conduct a monitoring review of highway safety grants in accordance with Title 2 CFR 200, NHTSA regulations, and these GMRs to determine adherence to project objectives, to review financial procedures, and to ensure compliance with grant requirements. All grantees (and all sub-recipients and contractors) are expected to cooperate with all reasonable requests for information as part of the monitoring review process.
5. A subrecipient must take reasonable measures to safeguard protected, personally identifiable information. This information and other information is based on what the NHTSA or the OHSP designate as sensitive or that the subrecipient considers sensitive consistent with applicable federal, state, and local laws regarding privacy and obligations of confidentiality as prescribed under 2 CFR Part 200.303.
6. All published reports generated from this project must include the following disclosure statement:

This report was prepared in cooperation with the Michigan Office of Highway Safety Planning and U.S. Department of Transportation, National Highway Traffic Safety Administration. The opinions, findings, and conclusions expressed in this publication are those of the author(s) and are not necessarily those of the Michigan Office of Highway Safety Planning or the U.S. Department of Transportation, National Highway Traffic Safety Administration.

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

CERTIFICATION REGARDING DEBARMENT AND SUSPENSION

(applies to sub-recipients as well as States)

Instructions for Primary Certification (States)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180 and 1300.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms *covered transaction*, *debarment*, *suspension*, *ineligible*, *lower tier*, *participant*, *person*, *primary tier*, *principal*, and *voluntarily excluded*, as used in this clause, have the meaning set out in the Definitions and coverage sections of 2 CFR Part 180. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the list of Parties Excluded from Federal Procurement and Non-Procurement Programs.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend participants or take other remedies as appropriate.

GENERAL FINANCIAL REQUIREMENTS

Compliance with the [Federal Funding Accountability and Transparency Act \(FFATA\) of 2006](#).

Signed into law on September 26, 2006, the Federal Funding Accountability Act provides the public with a single, searchable database of federal awards and sub-awards. The FFATA reporting procedure also requires for each sub-recipient agency to maintain current registration in the federal SAM at <https://www.sam.gov/> and obtain a [Data Universal Numbering System \(DUNS\)](#) number. Applicants are responsible for reporting their SAM registration and DUNS number to the MSP upon request to ensure timely and accurate award reporting. Grantees will also be required to update their grant applications with their new [Unique Entity Identifier \(UEI\)](#) in FY2022.

1. Only program activities and expenses detailed in the approved grant budget and incurred during the grant period are eligible for reimbursement. Expenses incurred that are not detailed in the approved grant budget or outside of the grant period will not be reimbursed. **Costs cannot EXCEED the approved grant award.**
2. Goods purchased through the grant shall be received in acceptable condition. If goods are not received in acceptable condition within 30 days prior to the grant ending date, the grantee shall contact the OHSP program coordinator.
3. The grantee (and all sub-recipients and contractors) shall use generally accepted accounting principles.

4. Costs charged to this grant cannot be charged to any other program. Law enforcement agencies receiving funding for overtime traffic enforcement cannot offer comp time in lieu of overtime pay.

5. All costs shall be actual and supported by source documentation. Financial reimbursement will be delayed until all backup documentation is received by the OHSP. A document entitled "Acceptable Backup Documentation for Federal Cost Claims" is available from the OHSP to assist with identifying adequate backup documentation.

6. A separate account or fund must be established for this project. A separate account is required to be maintained by all agencies receiving grant funds from the OHSP regardless of the dollar amount. In addition, the grantee (and all sub-recipients and contractors) receiving funds from the OHSP for multiple grant projects must have a separate account for each grant project and funding type. It is the responsibility of the lead agency to ensure all sub-agencies meet this requirement. The general ledgers of the sub-agencies are not required to be submitted with requests for payment unless specifically requested by the OHSP.

7. Costs reported on the final Financial Status Report (FSR) must match the agency's separate account or fund that has been established for this project inside the agencies accounting system.

- Financial documents must be sufficient to permit the preparation of reports required by general and program-specific terms and conditions; and the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes, regulations, and the terms and conditions of the Federal award.

8. Comingling of funds on either a program-by-program or project-by-project basis is prohibited. The sub-grantee's accounting system must maintain a clear audit trail for each source of funding for each fiscal budget period and include the following:

- a. Separate accountability of receipts, expenditures, disbursements, and balances.
- b. Itemized records supporting all grant receipts, expenditures, and match contributions in sufficient detail to show exact nature of activity.
- c. Data and information for each expenditure and match contribution with proper reference to be a supporting voucher or bill properly approved.
- d. Maintenance of payroll authorization and vouchers.
- e. Maintenance of records supporting charges of fringe benefits
- f. Maintenance of inventory records for equipment purchased, rented, and donated.
- g. Maintenance of billing records for consumable supplies (i.e., paper, printing) purchased.
- h. Provisions for payment by check.
- i. Maintenance of travel records (i.e., mileage logs, parking, hotels, meal receipts).
- j. Lease agreements, contracted services, and equipment purchases that adhere to established procurement processes.

9. Costs must be net of all applicable credits such as purchase discounts, rebates or adjustments of overpayments, or erroneous charges.

10. The following deviations from the approved budget require **PRIOR approval from the OHSP**: Once approved, appropriate revisions will need to be made to the grant agreement.

- a. A specific item of cost not included in the approved budget.
- b. An increase in the number of a specific item over and above the total authorized.
- c. A transfer between major budget categories in excess of 10 percent of the budget category title being increased. (Personnel Costs, Contractual Services, Operating Costs, Equipment, and Indirect – not the individual budget line-item titles.)

11. Procurement Methods:

- a. Competition: The grantee shall conduct all procurement and contractual transactions, without regard to dollar value, to provide maximum, open, and free competition. Maximum, open, and free competition shall be assured through the distribution of an adequate number of proposal solicitations.
- b. Small Purchase Procedures: Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than \$25,000 in total. If small purchase procedures are used, price or rate quotations must be obtained from at least three (3) Buy America Act qualified sources.
- c. The grantee shall follow their competitive bid process providing it is at least as restrictive as the process required by the [Title 2 Code of Federal Regulations 200.320](#), the State of Michigan and complies with the Buy America Act. (A copy of the State of Michigan procurement policy is available upon request.) The grantee (and all sub-recipients and contractors) agrees to ensure that minority business enterprises, as defined in [49 CFR Part 23](#), have the maximum opportunity to participate in the performance of contracts and subcontracts financed, in whole or in part, with funds provided under this agreement. The grantee must document multiple bids were sought in a competitive bidding process. When two or more responses were not received, the grantee shall indicate the selected bid was the only response.
- d. No employee, officer or agent of the grantee shall participate in selection, or in the award or administration of a contract or bid supported by Federal funds if a conflict of interest, real or apparent, would be involved.
- e. A copy of the subrecipient's established procurement procedures must be readily available for audit purposes upon request from the OHSP. Records must sufficiently detail the procurement history for all purchases and should detail the rationale for the method of procurement and selection of contract type, written selection procedures, documented reasons for rejections, and the basis for the contract price.

12. Documentation for costs shall be maintained for three years following final reimbursement.

13. Any program income received shall be used exclusively to further traffic safety project activities. Program income is defined as gross income earned by the prospective primary participant from grant supported activities. Some examples are proceeds from the sale of items purchased or developed with grant funds, or revenue received from attendees at trainings or conferences paid for with grant funds. Program income must be netted against costs incurred within the grant or returned to the OHSP, unless prior permission is obtained from the OHSP to use the funds for other traffic safety projects. Contact the OHSP for further information.

14. General Cost of Business (formerly referred to as Supplanting): The replacement of routine and/or existing expenditures with the use of state or federal grant funds for costs of activities that constitute general expenses required to carry out the overall responsibilities of a state or local agency or other grantee is general cost of business and is not allowable.

The grantee (and all sub-recipients and contractors) shall not use grant funds to replace state or local funds, or other resources that would otherwise have been made available for this program. Further, if a position created by a grant is filled from within, the vacancy created by this action must be filled within 30 days. If the vacancy is not filled within 30 days, the grantee (and all sub-recipients and contractors) must stop charging the grant for the new position. Upon filling the vacancy, the grantee (and all sub-recipients and contractors) may resume charging the grant position.

The Financial Officer or Authorizing Official's straight time costs may not be funded under this grant.

15. All other Financial management requirements as listed in [Title 2 Code of Federal Regulations 200.302](#) (Financial Management).

COST REIMBURSEMENT

1. All OHSP projects are based on the cost reimbursement concept, i.e., state, local, or private funds shall be expended before reimbursement is provided.
2. Reimbursement is based on submission and approval of progress, enforcement, and financial reports. All requested information should be submitted electronically through the web-based application whenever possible. Otherwise, backup information may be submitted via US mail, by fax, or by email. A financial report submitted to the OHSP by the grantee shall contain the following to be considered complete:
 - a. Electronic signatures for the agency's Financial Officer, Project Director, Authorizing Official, or employee(s)/contractor(s)/officer(s).
 - b. A copy of a report for the current period generated by the grantee's official accounting system which shows a description of the item and the actual amount spent. Some examples of acceptable reports include a detailed general ledger, a transaction ledger, a payroll journal, or a detailed budget/expenditure report. The report must match the amount being requested for reimbursement.
 - c. For enforcement grants: Officer names, dates, and amounts paid for each agency participating in grant funded patrols.
 - d. For non-enforcement grants with personnel costs: Activity logs as described in "Personnel Costs" under "Budget Cost Category Requirements."
 - e. Copies of invoices must be included.
 - f. Additional documentation as requested by the OHSP.
3. Financial reports are due, at a minimum, on a **quarterly** basis. Financial report due dates are specified in the grant approval letter. Financial reports must be submitted even when the project experiences no costs. In this case, a "zero" Financial report shall be submitted. The submission of financial reports is mandatory, and non-compliance can result in termination of the grant. Financial reports will be considered delinquent if not submitted by the due dates specified in the grant approval letter.
4. The Project Director shall ensure that financial reports are submitted in compliance with reporting deadlines. If the financial report is submitted electronically without backup documentation, the financial report is not considered submitted and the grantee will receive a delinquent letter stating the same.
5. A delay in submitting support documentation may result in the suspension of all grant activity.
6. Failure to submit cost statements with adequate supporting documentation prior to the fiscal year close out deadline will result in non-reimbursement of those costs. Costs from one fiscal year cannot be paid in a subsequent fiscal year.

AUDIT REQUIREMENTS

This section applies to Grantees designated as subrecipients by the OHSP.

1. Required Audit or Audit Exemption Notice
Grantees must submit to the OHSP either a Single Audit, Financial Related Audit, or Audit Exemption Notice as described below. A Financial Related Audit is applicable to for-profit Grantees that are designated as subrecipients. If submitting a Single Audit or Financial Related

Audit, Grantees must also submit a corrective action plan prepared in accordance with [Title 2 Code of Federal Regulations Section 200.511\(c\)](#) for any audit findings that impact the OHSP-funded programs, and management letter (if issued) with a corrective action plan.

a. Single Audit

Grantees that are a state, local government, or non-profit organization that expend \$750,000 or more in federal awards during the Grantee's fiscal year, must submit a Single Audit to the OHSP, regardless of the amount of funding received from the OHSP. The Single Audit must comply with the requirements of [Title 2 Code of Federal Regulations, Subpart F](#). The Single Audit reporting package must include all components described in Title 2 Code of Federal Regulations, Section 200.512(c).

b. Financial Related Audit

Grantees that are for-profit organizations that expend \$750,000 or more in federal awards during the Grantee's fiscal year must submit either a financial related audit prepared in accordance with Government Auditing Standards relating to all federal awards; or an audit that meets the requirements contained in [Title 2 Code of Federal Regulations, Subpart F](#), if required by the federal awarding agency.

c. Audit Exemption Notice

Grantees exempt from the Single Audit and Financial Related Audit requirements (a. and b. above) must submit an Audit Exemption Notice that certified these exemptions.

2. Financial Statement Audit

Grantees exempt from the Single Audit and Financial Related Audit requirements (that are required to submit an Audit Exemption Notice as described above) must also submit to the OHSP a Financial Statement Audit prepared in accordance with generally accepted auditing standards if the audit includes disclosures that may negatively impact the OHSP-funded programs including, but not limited to fraud, going concern uncertainties, financial statement misstatements, and violations of contract and grant provisions. If submitting a Financial Statement Audit, Grantees must also submit a corrective action plan for any audit findings that impact the OHSP-funded programs.

3. Other Audits

The OHSP or federal agencies may also conduct or arrange for "agreed upon procedures" or additional audits to meet their needs.

BUDGET COST CATEGORY REQUIREMENTS

(PLEASE REFER TO THE FOLLOWING FOR SPECIFIC REQUIREMENTS OF BUDGET COST CATEGORIES. ONLY REQUIREMENTS FOR COST CATEGORIES CONTAINED WITHIN YOUR APPROVED GRANT BUDGET APPLY.)

PERSONNEL COSTS

1. Includes itemized monthly or hourly salary rate. Fringe benefits are included under personnel costs.
2. Payments for salaries and wages shall be supported by a time and attendance report, based on an after-the-fact distribution of time, which shows details of the activities performed. All time and attendance reports must be signed by the employee and supervisor. Electronic signatures are accepted.
3. Federal guidelines prohibit using federal grant funds to pay for routine and/or existing state or local expenditures.
4. If the grant contains personnel services as part of the award, a job description for each position listed in the budget must be available to the OHSP upon request.

For enforcement grants (and all sub-recipients and contractors) – See program requirements Section 5.

For non-enforcement grants – The grantee (and all sub-recipients and contractors) must maintain activity logs which document the actual amount of time spent on the grant project and describe the nature of the activities performed. If the grant is funded from multiple sources, the logs must show the activity by fund source. This documentation must be submitted with the financial reimbursement request.

5. Reimbursement for wages and fringe benefits shall be based on actual costs NOT budgeted rates. Only those fringe benefit costs that increase because of hours worked on this project can be claimed for reimbursement. For overtime wages, those costs typically include FICA, workers comp, and retirement, but if any of these costs are structured so that they do not increase with overtime, they cannot be reimbursed. For straight-time grant-funded positions, all fringe benefits associated with the position may be claimed to the extent that the position has been approved for reimbursement (e.g., if 50% of the position is grant funded, 50% of the fringes benefits can be claimed.) Fringe benefit rates must be reasonable and in accordance with federal cost principles.

6. The rate of pay for grant-funded enforcement shall be determined according to the grantee's (and all sub-recipients and contractors) policy, contract, or employment agreement. Overtime rates must be applied consistently to all activities of an agency – higher rates may not be established just for federal grants.

7. Agencies shall comply with all state labor laws.

CONTRACTUAL SERVICES

The grantee will follow [Title 2 Code of Federal Regulations part 200.318, 200.321, 200.323, 200.326, 200.330, and Appendix II to Part 200.](#)

Contractual services are services of individual consultants or consulting firms engaged in performing special services pertinent to highway safety. Contracts are allowable when necessary, to achieve the goals of the grant agreement. Costs are allowable for products, highway safety consultants, personal services, and/or individuals for support services, provided applicable state and local procurement procedures are followed and documentation is available that describes the official contract and procurement practices. Contracts and procurements must include "special provisions" as provided by the OHSP. The grantee is responsible for verifying contractor eligibility by checking the national List of Parties Excluded from Federal Procurement and Non-Procurement Programs list available at www.govinfo.gov or adding a self-certification clause or condition to the contract.

All grantees (and all sub-recipients and contractors) awarding contracts or sub-contracts shall comply with the terms and conditions of [Title 49 Code of Federal Regulations, Part 18-Uniform Administrative Requirements for Grant and Cooperative Agreements to State and Local Governments, §18.36 Procurement](#). A signed copy of the contract, including the fully listed federal certifications and assurances, shall be submitted to the OHSP upon completion and is required for processing and approval of financial reimbursement requests.

The grantee is responsible for managing all contracts issued using the OHSP grant funds including:

- Ensuring the contractor complies with all contract provisions.
- Ensuring services are performed according to the quality, quantity, objectives, timeframes, and manner specified in the contract.
- Ensuring that all work is completed and accepted before the contract expires.
- Assessing and requesting amendments, renewals or new contracts as required allowing sufficient time to process and execute these changes before the contract expires to prevent lapse in service.
- Ensuring that contracts are amended after any grant agreement revision that affects the contract terms.

- Reviewing and approving invoices for payment, ensuring payments are made in accordance with contract terms, all costs are budgeted and allowable, and work has been performed.
- Monitoring contract expenditures to ensure there are sufficient funds to pay for all services rendered as required by the contract.
- Verifying all requirements of the contract are fulfilled before submitting the final invoice.
- Ensuring that all Personnel Activity log requirements are met.

Special Provisions

The grantee must insert in all contracts and funding agreements the following clause:

“During the performance of this contract/funding agreement, the contractor/funding recipient agrees—

- To comply with all Federal nondiscrimination laws and regulations, as may be amended from time to time.
- Not to participate directly or indirectly in the discrimination prohibited by any Federal non-discrimination law or regulation, as set forth in Appendix B of 49 CFR part 21 and herein.
- To permit access to its books, records, accounts, other sources of information, and its facilities as required by the State highway safety office, the US DOT, or the NHTSA.
- That, in event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding agreement, the State highway safety agency will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies; and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part; and
- To insert this clause, including paragraphs a through e, in every subcontract and sub-agreement and in every solicitation for a subcontract or sub-agreement, that receives Federal funds under this program.***

OPERATING COSTS

- Only eligible operating costs specifically listed in the approved grant budget will be reimbursed. These are costs not covered under other budget categories, including services not requiring contractual agreements and minor equipment such as office supplies, printing, and educational materials.
- Automotive expenses submitted shall be based on actual costs incurred. In most cases, this will be calculated by multiplying actual miles driven times a mileage rate. The rate will be determined when the grant is approved but will generally be the Internal Revenue Service (IRS) business mileage rate. With prior approval, reimbursement may be allowed based on the actual costs incurred for gasoline, maintenance, insurance, and other vehicle expenses.
- Postage, telephone, and grant-related travel costs shall be documented by log or meter and submitted with the reimbursement request.

TRAVEL COSTS

Out-of-state travel funded by federal; grant funds requires prior written approval by the OHSP Division Director. A written request shall be submitted on the form provided. **Requests shall be submitted at least 30 days in advance of anticipated travel.** Financial commitment (i.e., travel arrangements, conference fees, hotel reservations, etc.) shall not be made prior to the OHSP approval.

Reimbursement:

The grantee will be reimbursed for travel cost (including mileage, meals, and lodging) budgeted and incurred related to services provided under this agreement. The Grantee will have established and follow documented Travel Policies.

1. Reimbursements for travel (meals, lodging, mileage, etc.) cannot exceed the lesser of the grantee's published travel rates or the allowable State of Michigan travel rates. Exceptions require OHSP approval during the grant application process. Grantees requesting an exception will attach their organization's travel policy when the first grant draft is submitted. The policy must be applicable to all organization travel. Policies will be reviewed by the OHSP fiscal manager for approval and cannot exceed the current federal travel reimbursement rates.
2. State of Michigan travel rates may be found at the following website:
https://www.michigan.gov/dtmb/0,5552,7-358-82548_13132---,00.html

EQUIPMENT (INCLUDES SOFTWARE)

1. Only eligible equipment specifically listed in the equipment section of the approved grant budget will be reimbursed. Equipment costs shall be reimbursed according to the match requirements as specified in the approved grant budget.
2. Equipment purchases shall be initiated within the time specified in the approved grant. "Initiated" means bids were solicited, accepted, and items have been ordered. If there is a reason the grantee (and all sub-recipients and contractors) are unable to meet this requirement, the OHSP program coordinator shall be contacted immediately.
3. Equipment purchased through this grant shall be used only for highway safety activities throughout its useful life, whether the project or program continues to be supported by the Federal award.
4. If the equipment is disposed of, or ceases to be used for highway safety activities, and the equipment is determined to have a Current Fair Market Value of \$5,000 or more, the OHSP reserves the right to retain or transfer title to all items. The OHSP may allow the holder of the equipment to retain title of the equipment and reimburse the federal or State share of the fair market value of such equipment. The Current Fair Market Value shall be determined as follows:
 - a. Appraisal by an independent source with expertise in valuation of similar items is the preferred method of valuation for equipment.
 - b. For vehicles, [Kelly Blue Book](#), [National Automobile Dealer Association \(NADA\) Guides](#), or a similar third-party vehicle valuation service, may be used when valuing the condition of the vehicle,
 - c. If a fair market value based on appraisal or a third-party valuation service cannot be determined, the value may be based on [IRS depreciation schedules](#). Only straight-line depreciation may be used.
5. Equipment with a cost of \$5,000 or more shall be tagged by the grantee for inventory control purposes. In addition, the OHSP Equipment Record System Form with all applicable information completed shall be submitted with the prospective participant's or sub-recipient's reimbursement request. The grantee (and all sub-recipients and contractors) shall complete an equipment inventory form sent to them by the OHSP each year that the value remains \$5,000 or more and shall make the item available for physical review by the OHSP staff when requested.

6. All equipment purchases with NHTSA funds shall comply with the Buy America Act requirements before costs will be reimbursed. Please refer to section eleven under the heading Grant Management Requirements for specific terms of the Buy America Act.

7. Direct cost allocation principles. If a cost benefits two or more projects or activities in proportions that can be determined without undue effort or cost, the cost must be allocated to the projects based on the proportional benefit. If a cost benefits two or more projects or activities in proportions that cannot be determined because of the interrelationship of the work involved, then, notwithstanding paragraph (c) of this section, the costs may be allocated or transferred to benefitted projects on any reasonable documented basis. Where the purchase of equipment or other capital asset is specifically authorized under a Federal award, the costs are assignable to the Federal award regardless of the use that may be made of the equipment or other capital asset involved when no longer needed for the purpose for which it was originally required.

COLLECTION OF UNALLOWABLE COSTS

Payments made for costs determined to be unallowable by either the Federal awarding agency, cognizant agency for indirect costs, or pass-through entity, either as direct or indirect costs, must be refunded (including interest) to the Federal Government in accordance with instructions from the Federal agency that determined the costs are unallowable unless Federal statute or regulation directs otherwise. See also [Subpart D—Post Federal Award Requirements](#) of this part, and [Part 200.300 Statutory and national policy requirements through 200.309 Period of performance](#).

INDIRECT COSTS

2 CFR provides guidance on indirect cost as follows: [Section 200.414 Indirect \(F&A\) Cost -\(F\)](#): In addition to the procedures outlined in the appendices in paragraph (e) of this section, any non-Federal entity that has not negotiated an indirect cost rate, except for those non-Federal entities described in [Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals](#), paragraph D.1.b, may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. As described in [§200.403](#) Factors affecting allowability of costs, costs must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. **If chosen, this methodology once elected must be used consistently for all Federal awards** until such time as a non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time.

CONFLICT OF INTEREST AND CODE OF CONDUCT STANDARDS

1. The Grantee is subject to the provisions of [1968 PA 317, as amended, 1973 PA 196](#), as amended, and [Title 2 Code of Federal Regulations Section 200.318 \(c\) \(1\) and \(2\). 2 CFR 1201.112](#).

2. The Grantee must have established conflict of interest policies, in accordance with [Title 2 Code of Federal Regulations Section 200.112](#).

3. The Grantee will uphold high ethical standards and is prohibited from:

- a. Holding or acquiring an interest that would conflict with this Agreement.
- b. Doing anything that creates an appearance of impropriety with respect to the award or performance of this Agreement.
- c. Attempting to influence or appearing to influence any State employee by the direct or indirect offer of anything of value; or
- d. Paying or agreeing to pay any person, other than employees and consultants upon the award of this Agreement.

TERMINATION

The OHSP retains the right to terminate a grant for failure to meet the grant management requirements. When a grant is terminated by the OHSP, the grantee or sub-recipient shall not be eligible to seek grant funding for a period of two years. To obtain a grant after the two-year period, the grantee or sub-recipients will be required to submit written assurance that the identified deficiencies have been corrected. Additionally, the agency may be required to submit monthly financial reports to allow for increased financial monitoring.

NOTE: The Grant Project Director and Authorized Official have certified that they have read and with comply with these GMRs as part of the grant application approval process in the online grants system with the OHSP.
