Mark D. Johnson - Airport Manager

## MEMORANDUM

TO: Livingston County Board of Commissioners

FROM: Mark D. Johnson  
Airport Manager 

DATE: July 28, 2021

RE: Grant for Taxiway Repairs

This grant will fund the construction of taxiway joint repairs that is anticipated to be performed by Lois Kay Contracting Company. The grant will also fund Construction Administration services that are anticipated to be performed by C&S Companies.

The grant contains funds from FY2019 and FY2020. A local match is only required on the FY2019 funds, as Airport Improvement Program grants for 2020 did not have a requirement for a local share.

Please contact me with any questions.
