Mark D. Johnson - Airport Manager

MEMORANDUM

TO: Livingston County Board of Commissioners

FROM: Mark D. Johnson
Airport Manager

DATE: September 29, 2021

RE: Contract Snow Removal

The Fiscal Services Department advertised for contract snow removal services for the Livingston County Airport. The airport contracts snow removal for some taxiways, and all ramp areas.

Nineteen firms downloaded the specifications and one proposal was received.

Anglin Civil LLC has provided snow removal services at Detroit Metro and Willow Run Airports for several years. They have equipment that meets and exceeds what was required for a proposal.
