Resolution 2021-46

Opposing Mandatory Vaccinations and Mandatory Masks

WHEREAS, we elected officials have solemnly sworn an oath to support the Constitution of the United States of America, which is ordained and established to “promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity”,

WHEREAS, citizens being both informed about the risks and benefits of any available medical treatment such as vaccines and masks; as well as maintaining the sacred inalienable right to make autonomous choices about their own health are essential to securing both the general Welfare and securing the Blessing of Liberty,

WHEREAS, there is a concerted effort on the part of the main stream media and most social media applications to censor access to valid information from credible sources that does not agree with the “approved” recommendation,

WHEREAS, it appears that the efficacy of the current vaccines begin to decline after only 6 months,

WHEREAS, there is evidence that natural immunity maintains its efficacy longer than current vaccines,

WHEREAS, mandatory vaccination requirements do not consider natural immunity,

WHEREAS, the fatality rate across all ages for those that contract the Covid-19 virus is 1.6% and most deaths occur with the elderly or those who have serious comorbidity issues,

WHEREAS, the death of any child is a tragedy, children are the least susceptible to serious illness or death from the Covid-19 virus.

WHEREAS, Covid-19 virus continues to mutate making eradication of the virus virtually impossible, American citizens want to get back to normal activity,

WHEREAS, mandatory mask requirements have not prevented the spread of the virus,

WHEREAS, the vast majority of citizens who wear masks do not comply with the methodology of wearing them, nor do they use a proper mask that is capable of preventing infection,

WHEREAS, to expect a child to properly place a mask, keep it in place all day, not touch the mask or other parts of their face is pure fiction,

THEREFORE, all Kalkaska County messaging related to vaccines and masks shall encourage citizens to discuss the risks and benefits of any such treatment with their chosen healthcare provider,

THEREFORE, Kalkaska County shall not require of or mandate to any employee, prospective employee, or contractor any form of vaccine or similar medical treatment verification or medical test verification as a general condition of employment; and will not encourage employers located within Kalkaska County to establish such mandates that so hinder medical autonomy,

THEREFORE, Kalkaska County shall not question any citizen's claim to exemption from wearing a facemask or any other similarly mandated preventative activity,

THEREFORE, Kalkaska County recommends that the Department of Health District #10 adopt a similar resolution to assure the citizens of our district that our citizen's medical decisions will remain between themselves and their health care provider,

THEREFORE, Kalkaska County shall forward a copy of this resolution directly to all of the 83 Counties in Michigan, and to the Department of Health District #10 Board of Commissioners and the District #10 Health Officer.
