MEMORANDUM

TO: Livingston County Board of Commissioners

FROM: Mark D. Johnson 
Airport Manager

DATE: December 1, 2021

RE: CRRSAA Grant Agreement

This grant was authorized under the second round of federal government COVID funding and will cover operating expenses incurred after January 10, 2020.

An upgrade to the self-serve fuel system that was completed in the summer of 2021 is an eligible expense under the grant and totaled \$18,890. We will use either payroll expenses or debt service expenses to claim the remainder of the grant funds.
