Good afternoon, FY22 County Veteran Service Fund grant recipients, we have some great news!

The Michigan Legislature has appropriated an additional \$900,000 to enhance the work that the counties awarded grants through the FY22 MVAA County Veteran Service Fund grant are doing. These funds can be used in the same manner as outlined in your FY22 Grant Guidance (attached here). Remember, all expenditures must increase veteran services and/or be used to connect veterans to their federal benefits.

We are in the process of calculating the amount each county will have available to add to their current grant. In order to be considered for the additional funds **we MUST receive the attached Letter of Intent (LOI) from you by close of business on January 7, 2022.** Please send your LOI to MVAAGrants@michigan.gov.

All best,

MVAA Grants Team
