**Resolution Authorizing County Commissioner Compensation Review Process -
Board of Commissioners**

WHEREAS, a Commissioner's compensation cannot be lessened during their term of their office; and

WHEREAS, a Commissioner cannot vote to raise their own compensation; and

WHEREAS, we do not think it appropriate to give the authority to an unelected committee to determine Commissioners' pay structure; and

WHEREAS, it is wisest to determine changes in Commissioner pay a month before the closing deadline for partisan filing for said position.

THEREFORE, BE IT RESOLVED that the Livingston County Board of Commissioners' Personnel Committee be commissioned at the January organizational meeting of the year of election to present to the Finance Committee by February of that year a recommendation for salary changes for those elected in November.
