## Memorandum

**To:** Board of Commissioners  
**From:** Therese Cremona, Emergency Manager  
**Date:** January 10, 2022  
**Re:** Appointments and Re-appointments to the Livingston County  
Local Emergency Planning Committee

---

The *Emergency Planning and Community Right-To-Know Act*, also known as *SARA Title III of 1986*, establishes requirements for federal, state and local governments, as well as industries, regarding emergency planning and a community's right-to-know about hazardous and toxic chemicals within that community.

The aforementioned act requires the governor of each state to designate a State Emergency Response Commission (SERC). The SERC is then responsible for designating local emergency planning districts and appointing local emergency planning committees (LEPC) within each district. Livingston County is a planning district with a serving LEPC.

The current term of all Livingston County LEPC members expired December 31, 2021. The Livingston County Emergency Management Department requests the Board of Commissioners pass the attached resolution appointing new members and re-appointing current members for an uncompensated two-year term expiring December 31, 2023 and appointing Therese Cremona, the Livingston County Emergency Manager the LEPC Chair and Scott Barb, Livingston County Planning Department the Vice-Chair during this forthcoming term.
