Mark D. Johnson - Airport Manager

MEMORANDUM

TO: Livingston County Board of Commissioners

FROM: Mark D. Johnson 
Airport Manager

DATE: June 27, 2022

RE: DTE Easement for Consumer's Power

This easement will allow DTE to run electrical power to a Consumer's Power owned gas valve at the corner of Burkhart and Bowen Roads on airport owned property. A change in regulations requires the gas valve to be monitored, which requires electricity.

Consumer's Energy will make a payment of \$10,000 to the airport for this easement.

Subject: [EXT] 2502 N Burkhardt Rd- Proposed Underground Route for New Service at Gas Distribution Site

"The e-mail below is from an external source. Please do not open attachments or click links from an unknown or suspicious origin."

Hey Mark, Good talking to you earlier. Below is a screenshot of the route I am proposing for the CMS gas site requiring a new DTE 10' wide UG easement from Livingston County Airport. Let me know if you need me to send any additional info. Also, our ROW Facilitator sends the easement documents in the mail, if you could provide me a good mailing address that would be great.
