Mark D. Johnson - Airport Manager

MEMORANDUM

TO: Livingston County Board of Commissioners

FROM: Mark D. Johnson 
Airport Manager

DATE: June 27, 2022

RE: MDOT Grant for Crack Sealing

This grant of \$23,100 will be used for crack sealing of airport pavements. The new pavement joints that were installed last year will be sealed, as the asphalt is beginning to shrink and will allow water to penetrate. The remainder of the funds will be used for random cracks on the ramp areas.

There is no local match necessary for this grant, as it utilized 2020 FAA funds. In 2020 and 2021, no local match was necessary for these funds.
