Livingston County Sheriff's Office

Howell, Michigan 48843

Dear Sheriff Murphy:

Enclosed is the Secondary Road Patrol and Traffic Accident Prevention Program (SRP) application for FY 2023 (October 1, 2022 through September 30, 2023). Appropriate forms to certify compliance are attached. The application, quarterly financial report, semi-annual program report, annual program report, and contract adjustment requests are also available on the Secondary Road Patrol website at www.michigan.gov/ohsp-srp; click on SRP Forms. Completed applications for participation in the program must be submitted to our office by **September 1, 2022**. Submit via email to MSP-SRP@michigan.gov. Applications received after September 1, 2022 may jeopardize the county's eligibility for funding.

Estimated program funding for fiscal year 2023 is \$6,200,000 from the Secondary Road Patrol and Training Fund.

Based upon our projections, your county's total allocation for FY 2023 is **\$63,984**. Your reimbursement from the fund may not exceed this amount. The amount being allocated to each county for FY 2023 is based on the best estimates of revenue at this time.

P.A. 416, as amended, requires a "Maintenance of Effort" by the county. Your attention is directed to Section 77(1), which states, in part:

"An agreement entered into under this section shall be void if the county reduces its expenditures or level of road patrol below that which the county was expending or providing immediately before October 1, 1978, unless the county is required to reduce general services because of economic conditions and is not merely reducing law enforcement services."

Livingston County's required maintenance of effort level is **15**. Maintenance of effort must not include positions and expenditures funded from the SRP. If the level of county funded road patrol is less than your maintenance of effort requirement, your application cannot be processed. Should this occur, and you subsequently come into compliance during the year, a partial year application will be processed at that time.

Sincerely,

Alicia Sledge
Division Director, Acting
