Resolution increasing the starting wage for the newly hired EMS Education Instructor Coordinator – Emergency Medical Services

WHEREAS, the Emergency Medical Services Department recently updated the job description for the EMS Education Instructor Coordinator position significantly increasing the qualifications for that position; and

WHEREAS, we were pleasantly surprised by the exceptional quality of the applicants and have made a job offer that has been accepted contingent on approval of this request; and

WHEREAS, while the current grade of the position is adequate the starting wage is a sizeable wage cut for the employee who holds both a Paramedic and RN licenses as well as double Bachelor's degrees; and

WHEREAS, this employee has been employed with the EMS Department since 2014 and has an excellent work history; and

WHEREAS, to help reduce the loss in wages associated with accepting the position I am requesting that we move the start wage for Saralynn Bush (EMS Education Instructor Coordinator) to step 5 from step 3 where she would have otherwise been placed.

THEREFORE BE IT RESOLVED that the Livingston County Board of Commissioners hereby authorizes the increase of start wage for Saralynn Bush EMS Education Instructor Coordinator to step 5.

BE IT FURTHER RESOLVED that the Livingston County Board of Commissioners authorize any necessary supplemental appropriation to effectuate the above.
