Re: Resolution – 2022 Veterans Millage Rate Request

I have attached the resolution for the 2022 L-4029, Millage Request, for the county's veterans' millage that was approved by the electors on November 8th. The rate to be levied has come from the Veterans Administration, which they are requesting .0564 mills. The timing of the request is based on the final approval of the Certification of the Election, from the County Clerk's office. This will help expedite the billing process with the cities and townships.
