The Subrecipient agrees to comply with all FY 2022 HSGP program requirements in accordance with the FY 2022 Homeland Security Grant Program Notice of Funding Opportunity and the FEMA Preparedness Grants Manual located at <http://www.fema.gov/homeland-security-grant-program>, the U.S. Department of Homeland Security (DHS) Standard Administrative Terms and Conditions located at https://www.dhs.gov/sites/default/files/202201/fy_2022_dhs_terms_and_conditions_version_2_dated_jan_24_2022_508.pdf, the FY 2022 HSGP Agreement Articles Applicable to Subrecipients included with the Grant Agreement packet, and the FY 2022 HSGP Michigan Supplemental Guidance provided electronically by Michigan State Police, Emergency Management and Homeland Security Division (MSP/EMHSD).
- D. The Subrecipient shall also comply with the most recent version of:
 - 1. 2 CFR, Part 200 of the Code of Federal Regulations (CFR), Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at <http://www.ecfr.gov>, select Title 2.
 - 2. FEMA Directive 108-1: Environmental Planning and Historic Preservation Responsibilities and Program Requirements

II. Award Amount and Restrictions

- A. Ingham County, acting as the Fiduciary Agent on behalf of and as a part of the Region 1 Board, has been awarded \$775,833.00 under the FY 2022 HSGP. The Grant Agreement shall be administered based on Ingham County's and/or Region 1 Board's policies and procedures, provided they conform to state and federal rules, laws, and/or regulations.
- B. The FY 2022 HSGP covers eligible costs from September 1, 2022, to May 31, 2025.
- C. The HSGP funds may not be used to support the hiring of any personnel for the purposes of fulfilling traditional public health and/or safety duties or to supplant traditional public health and safety positions and/or responsibilities.
- D. At least \$232,750.00 of award funds must be dedicated towards Law Enforcement Terrorism Prevention Activities (LETPA). Activities eligible for use of LETPA-focused funds are outlined in the National Prevention Framework (and where capabilities are shared with the protection mission area, the National Protection Framework) located at <http://www.fema.gov/national-planning-frameworks>. The Subrecipient must meet its minimum (LETPA) funding requirement for the 2022 HSGP.

FY 2022 HSGP Region 1 Board Subrecipient Agreement

- E. The FY 2022 HSGP includes the following six (6) national priority area funding requirements:
1. Enhancing the protection of soft targets/crowded places;
 2. Enhancing information and intelligence sharing and cooperation with federal agencies, including DHS;
 3. Combating domestic violent extremism;
 4. Enhancing community preparedness and resilience;
 5. Election Security; and
 6. Cybersecurity.
- A minimum of thirty percent (30%) total allocation, or at least \$232,750.00, must be allocated between the six national priority areas listed above. The priority areas of enhancing the protection of soft targets, crowded places, enhancing information and intelligence sharing and cooperation with federal agencies, combating domestic violent extremism, and enhancing community preparedness and resilience, must each be funded at a minimum of \$23,275.00 or 3% of the award amount. All national priority area projects must be pre-approved by FEMA. Additional information on the FY 2022 HSGP national priority areas can be found in the FEMA Preparedness Grants Manual located at <http://www.fema.gov/homeland-security-grant-program>.
- F. A maximum of \$387,916.00 of award funds may be used for personnel and personnel-related activities as directed by the Personnel Reimbursement for Intelligence Cooperation and Enhancement (PRICE) of Homeland Security Act of 2008 (Public Law 110-412). In general, the use of SHSP funding to pay for staff and/or contractor regular time or overtime/backfill is considered a personnel cost. A definition of personnel costs is provided in the FEMA Preparedness Grants Manual located at <https://www.fema.gov/media-library/assets/documents/178291>.
- G. A maximum of five percent (5%) of awarded funds, \$38,791.00, may be retained and used solely for management and administration (M&A) purposes associated with the HSGP award. The M&A allowable costs are defined in the FY 2022 Homeland Security Grant Program Notice of Funding Opportunity, and the FEMA Preparedness Grants Manual located at <http://www.fema.gov/homeland-security-grant-program>.
- H. The FY 2022 HSGP funds may only be used to fund projects which directly support one of the FY 2022 HSGP grant investments. To assist Subrecipients, the Recipient has developed the FY 2022 HSGP Michigan Supplemental Guidance to provide additional information on developing projects consistent with the National Preparedness Goal, state and regional homeland security priorities and Michigan's FY 2022 SHSP investment justification.
- I. Except as otherwise specifically set forth in the FY 2022 HSGP Grant Agreement, the Recipient (i.e. MSP/EMHSD), not Ingham County as Region I's Fiduciary Agent nor the Subrecipient, shall make the final determination on how funds awarded under the FY 2022 HSGP Grant Agreement are allocated and/or spent from projects reviewed and approved by the Region I Board and submitted to the Recipient by Ingham County.
- J. For any activities involving construction, demolition, ground disturbance, or installations of equipment, an Environmental and Historic Preservation (EHP) review must be completed.

Any work started before receiving EHP approval will result in a non-compliance finding and not be eligible for federal funding.

FY 2022 HSGP Region 1 Board Subrecipient Agreement

- K. In the event that DHS determines changes are necessary to the award document after an award has been made, including but not limited to changes to the period of performance or terms and conditions, Subrecipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate Subrecipient acceptance of the changes to the award.
- L. A breakdown on the proposed FY 2022 HSGP Allocation – Regional National Priorities for Region 1 is set forth in the attached Exhibit F. The attached Exhibit F is incorporated by reference into this Agreement and made a part hereof.

III. Responsibilities of the Subrecipient

- A. **Grant funds must supplement, not supplant, state or local funds.** Federal funds must be used to supplement existing funds, not replace (supplant) funds that have been appropriated for the same purpose. Potential supplanting will be carefully reviewed in subsequent monitoring reviews and audits. Subrecipients may be required to supply documentation certifying that a reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.
- B. Refer to the FY 2022 Homeland Security Grant Program Notice of Funding Opportunity and the FEMA Preparedness Grants Manual located at <http://www.fema.gov/homeland-security-grant-program> for a detailed list of allowable costs and program activities under the FY 2022 HSGP Grant Agreement.

FY 2022 HSGP Region 1 Board Subrecipient Agreement

specified by the FY 2022 HSGP Grant Agreement's Recipient, MSP/EMHSD. It is understood that Ingham County is responsible for submitting the reports on behalf of Region 1 to the Recipient and shall require the Subrecipient to submit information and reports to Ingham County by a specified date so Ingham County has adequate time to prepare Region 1's reports to the Recipient.

3. Create and maintain an inventory of all equipment obtained with FY 2022 HSGP funds through this Subrecipient Agreement in accordance with 2 CFR, Part 200.313 located at <http://www.ecfr.gov>. Every odd calendar year, the Subrecipient must assist Ingham County to prepare an equipment inventory list and conduct a physical inventory that is reconciled to that list by June 30. This process shall include legal transfer of the equipment to the Subrecipient. The transfer documents, when signed, shall include provisions confirming the Subrecipient's acceptance of full legal and financial responsibility for the pieces of equipment.
5. In the event the Subrecipient directly purchases equipment approved by the Region I Board for which it is paid for/reimbursed with FY 2022 HSGP funds, it is understood that the Subrecipient shall have full legal and financial responsibility for said equipment.
6. Comply with applicable financial and administrative requirements set forth in the current edition of 2 C.F.R., Part 200, including, but not limited to, the following provisions:
 - a. Account for receipts and expenditures, maintain adequate financial records, and refund expenditures disallowed by federal or state audit.

9. Environmental and Historic Preservation Compliance. The federal government is required to consider the effects on the environment and/or historic properties of any federally funded activities and programs, including grant-funded projects. The EHP process ensures that federally funded activities comply with federal EHP regulations, laws, and executive orders as applicable. The goal of these compliance requirements is to protect the nation's environmental, historic, and cultural resources. The Subrecipient shall not undertake any project having the potential to impact EHP resources without prior approval. Any work started before receiving EHP approval will result in a non-compliance finding and not be eligible for federal funding.
10. Comply with the Davis-Bacon Act (40 U.S.C. 3141 et seq.) for grant-funded construction projects. The Subrecipient must ensure that contractors or subcontractors for construction projects pay workers employed directly at the work-site no less than the prevailing wages and fringe benefits paid on projects of a similar character. - E. At its discretion, independently, or in conjunction with the federal awarding agency, conduct random on-site reviews of any or all Subrecipients of the FY 2022 HSGP Grant Agreement.

V. Reporting Procedures

The Subrecipient is required to submit information Ingham County needs to submit in reports to the Recipient on the status of all projects and funding. Such information must be submitted by the date specified by Ingham County in order to provide sufficient time for Ingham County to meet Recipient's deadlines for submittal of the required information reports for Region 1. It is understood that Ingham County's reporting, on behalf of Region I, must follow the format and schedule specified by the Recipient.

Reporting on funding status is mandated by the federal government. Failure by Region I Subrecipients of FY 2022 HSGP Grant Agreement funds to provide Ingham County with accurate and timely information needed to fulfill reporting requirements, in compliance with federal grant rules, shall result in the suspension of grant funding until reports are received and may jeopardize future federal funding.

VI. Payment Procedures

The Subrecipient agrees to prepare and submit to Ingham County the information needed for Ingham County to submit for the Region 1 Board the Reimbursement Cover Sheet (EMD-054) with all required supporting documentation attached, including proof of payment. The Subrecipient shall not discriminate against any employee or applicant for employment, to be employed in the performance of this Subrecipient Agreement, with respect to his or her hire, tenure, terms, conditions, or privileges of employment; or any matter directly or indirectly related to employment because of his or her race, religion, color, national origin, age, sex, height, weight, marital status, limited English proficiency, or handicap that is unrelated to the individual's ability to perform the duties of a particular job or position. The Subrecipient agrees to include in every subcontract entered into for the performance of this Subrecipient Agreement this covenant not to discriminate in employment. A breach of this covenant is a material breach of this Subrecipient Agreement.

FY 2022 HSGP Region 1 Board Subrecipient Agreement

The Subrecipient shall ensure that no subcontractor, manufacturer, or supplier of the Subrecipient for projects related to this Subrecipient Agreement appears on the Federal Excluded Parties List System located at <https://www.sam.gov>.

VIII. Limitation of Liability

The parties to this Subrecipient Agreement agree that each must seek its own legal representative and bear its own costs, including judgments, in any litigation that may arise from performance of this Subrecipient Agreement. It is specifically understood and agreed that neither party will indemnify the other party in such litigation.

This is not to be construed as a waiver of governmental immunity for either party.

IX. Third Parties

This Subrecipient Agreement is not intended to make any person or entity, not a party to this Subrecipient Agreement, a third party beneficiary hereof or to confer on a third party any rights or obligations enforceable in their favor.

X. Agreement Period

This Subrecipient Agreement is in full force and effect from September 1, 2022, to May 31, 2025. No costs eligible under this Subrecipient Agreement shall be incurred before the starting date of this Subrecipient Agreement, except with prior written approval. This Subrecipient Agreement may be terminated by either party by giving thirty (30) days written notice to the other party stating reasons for termination and the effective date, or upon the failure of either party to carry out the terms of this Subrecipient Agreement. Upon any such termination, the Subrecipient agrees to return to Ingham County for returning to the Recipient any funds not authorized for use, and neither the Recipient nor Ingham County shall have any further obligation to reimburse the Subrecipient.

XI. Entire Agreement, Amendments, Assignments, and Void or Unenforceable Provisions

This Subrecipient Agreement is governed by the laws of the State of Michigan and supersedes all prior agreements, documents, and representations between Ingham County and the Subrecipient, whether expressed, implied, or oral. This Subrecipient Agreement constitutes the entire agreement between the parties and may not be amended except by written instrument executed by both parties prior to the grant end date. No party to this Subrecipient Agreement may assign this Subrecipient Agreement or any of his/her/its rights, interest, or obligations hereunder without the prior consent of the other party. The Subrecipient agrees to inform Ingham County in writing immediately of any proposed changes of dates, budget, or services indicated in this Subrecipient Agreement, as well as changes of address or personnel affecting this Subrecipient Agreement. Changes in dates, budget, or services are subject to prior written approval of Ingham County. If any provision of this Subrecipient Agreement shall be deemed void or unenforceable, the remainder of this Subrecipient Agreement shall remain valid.

XIII. Freedom of Information Act (FOIA)

Much of the information submitted in the course of applying for funding under this Subrecipient Agreement, or provided in the course of grant management activities, may be considered law enforcement-sensitive or otherwise critical to national security interests. This may include threat, risk, and needs assessment information; and discussions of demographics, transportation, public works, and industrial and public health infrastructures. Therefore, Ingham County, each Subrecipient agency Freedom of Information Officer, will need to determine what information is to be withheld on a case-by-case basis. The Subrecipient should be familiar with the regulations governing Protected Critical Infrastructure Information (6 CFR, Part 29) and Sensitive Security Information (49 CFR, Part 1520), as these designations may provide additional protection to certain classes of homeland security information.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietorship, or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff.

I. Subrecipients must cooperate with any DHS compliance reviews or compliance investigations conducted by DHS.

II. Subrecipients must give DHS access to examine and copy records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities or personnel.

III. Subrecipients must submit timely, complete, and accurate reports to the recipient and maintain appropriate backup documentation to support the reports.

IV. Subrecipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law, or detailed in program guidance.

Recipients, subrecipients, and their contractors and subcontractors are subject to the prohibitions described in section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232 (2018) and 2 C.F.R. sections 200.216, 200.327, 200.471, and Appendix II to 2 C.F.R. Part 200. Beginning August 13, 2020, the statute - as it applies to DHS recipients, subrecipients, and their contractors and subcontractors - prohibits obligating or expending federal award funds on certain telecommunications and video surveillance products and contracting with certain entities for national security reasons.

Article IV - Limited English Proficiency (Civil Rights Act of 1964 - Title VI)

Subrecipients must comply with Title VI of the Civil Rights Act of 1964, (42 U.S.C. section 2000d et seq.) prohibition against discrimination on the basis of national origin, which requires that subrecipients of federal financial assistance take reasonable steps to provide meaningful access to persons with limited English proficiency (LEP) to their programs and services. Article V - Required Use of American Iron, Steel, Manufactured Products, and Construction Materials

Recipients and subrecipients must comply with the Build America, Buy America Act (BABAA), which was enacted as part of the Infrastructure Investment and Jobs Act Sections 70901-70927, Pub. L. No. 117-58 (2021); and Executive Order 14005, Ensuring the Future is Made in All of America by All of America's Workers. See also Office of Management and Budget (OMB), Memorandum M-22-11, Initial Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure.

Recipients and subrecipients of federal financial assistance programs for infrastructure are hereby notified that none of the funds provided under this award may be used for a project for infrastructure unless:

(1) All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

(2) All manufactured products used in the project are produced in the United States--this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

(3) All construction materials are manufactured in the United States--this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project, but are not an integral part of the structure or permanently affixed to the infrastructure project.

Waivers

When necessary, recipients may apply for, and the agency may grant, a waiver from these requirements.

(a) When the federal agency has made a determination that one of the following exceptions applies, the awarding official may waive the application of the domestic content procurement preference in any case in which the agency determines that:

- (1) Applying the domestic content procurement preference would be inconsistent with the public interest;
- (2) The types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or
- (3) The inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent.

A request to waive the application of the domestic content procurement preference must be in writing. The agency will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the OMB Made in America Office. There may be instances where an award qualifies, in whole or in part, for an existing waiver described. For awards by the Federal Emergency Management Agency (FEMA), existing waivers are available and the waiver process is described at ["Buy America" Preference in FEMA Financial Assistance Programs for Infrastructure | FEMA.gov](#). For awards by other DHS components, please contact the applicable DHS FAO.

To see whether a particular DHS federal financial assistance program is considered an infrastructure program and thus required to include a Buy America preference, please either contact the applicable DHS FAO, or for FEMA awards, please see [Programs and Definitions: Build America, Buy America Act | FEMA.gov](#).

Article VI - Environmental Planning and Historic Preservation (EHP) Review

The DHS/FEMA funded activities that may require an Environmental Planning and Historic Preservation (EHP) review are subject to the FEMA EHP review process. This review does not address all federal, state, and local requirements. Acceptance of federal funding requires the subrecipient to comply with all federal, state, and local laws.

The DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/ FEMA grant funds, through its EHP review process, as mandated by: the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and any other applicable laws and executive orders. The EHP review process must be completed before funds are released to carry out the proposed project; otherwise, DHS/FEMA may not be able to fund the project due to noncompliance with EHP laws, executive orders, regulations, and policies.

If ground disturbing activities occur during construction, subrecipient will monitor ground disturbance, and if any potential archeological resources are discovered the subrecipient will immediately cease work in that area and notify the recipient, if applicable, and DHS/FEMA.

Article VII - Applicability of DHS Standard Terms and Conditions to Tribes

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to subrecipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

Article VIII - Indirect Cost Rate

2 C.F.R. section 200.211(b)(15) requires the terms of the award to include the indirect cost rate for the federal award. If applicable, the indirect cost rate for this award is stated in the budget documents or other materials approved by FEMA and included in the award file.

Article IX - Activities Conducted Abroad

Subrecipients must ensure that project activities carried on outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.

Article X - Reporting of Matters Related to Subrecipient Integrity and Performance

If the total value of any currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this federal award, then the Subrecipients must comply with the requirements set forth in the government-wide Award Term and Condition for Recipient Integrity and Performance Matters located at 2 C.F.R. Part 200, Appendix XII, the full text of which is incorporated here by reference in the award terms and conditions.

Article XI - Trafficking Victims Protection Act of 2000 (TVPA)

Trafficking in Persons:

Subrecipients must comply with the requirements of the government-wide financial assistance award term which implements Section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), codified as amended at 22 U.S.C. section 7104. The award term is located at 2 C.F.R. section 175.15, the full text of which is incorporated here by reference.

Article XVI - Duplication of Benefits

Any cost allocable to a particular federal financial assistance award provided for in 2 C.F.R. Part 200, Subpart E may not be charged to other federal financial assistance awards to overcome fund deficiencies; to avoid restrictions imposed by federal statutes, regulations, or federal financial assistance award terms and conditions; or for other reasons. However, these prohibitions would not preclude Subrecipients from shifting costs that are allowable under two or more awards in accordance with existing federal statutes, regulations, or the federal financial assistance award terms and conditions.

Article XVII - Copyright

Subrecipients must affix the applicable copyright notices of 17 U.S.C. sections 401 or 402 and an acknowledgement of U.S. Government sponsorship (including the award number) to any work first produced under federal financial assistance awards.

The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units-i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators)-be designed and constructed with certain accessible features. (See 24 C.F.R. Part 100, Subpart D.)

Article XIX - Best Practices for Collection and Use of Personally Identifiable Information

Subrecipients who collect personally identifiable information (PII) are required to have a publicly available privacy policy that describes standards on the usage and maintenance of the PII they collect. The DHS defines PII as any information that permits the identity of an individual to be directly or indirectly inferred, including any information that is linked or linkable to that individual. Subrecipients may also find the DHS Privacy Impact Assessments: Privacy Guidance and Privacy Template as useful resources, respectively.

Article XX - Civil Rights Act of 1964, Title VI

Subrecipients must comply with the requirements of Title VI of the Civil Rights Act of 1964 (codified as amended at 42 U.S.C. section 2000d et seq.), which provides that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. State recipients and state subrecipients must follow the disposition requirements in accordance with state laws and procedures.

Article XXIII - Patents and Intellectual Property Rights

Before making any change to the FEMA approved budget for this award, you must request prior written approval where required by 2 C.F.R. section 200.308.

For purposes of non-construction projects, FEMA is utilizing its discretion to impose an additional restriction under 2 C.F.R. section 200.308(f) regarding the transfer of funds among direct cost categories, programs, functions, or activities. Therefore, for awards with an approved budget where the federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs,

functions, or activities without prior written approval from FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget FEMA last approved.

For purposes of awards that support both construction and non-construction work, FEMA is utilizing its discretion under 2 C.F.R. section 200.308(h)(5) to require the recipient to obtain prior written approval from FEMA before making any fund or budget transfers between the two types of work.
