Re: 2023 Millage

Attached you will find the 2023 Millage Request (L-4029) for Livingston County. All millages on the form have been calculated using the correct millage rollback calculation as prescribed under Article 9 of the Michigan Constitution, and further directed by the State Tax Commission.

Due to the changes in the Boards calendar. I've prepared the report on the contingency that on the final meeting the Allocation Board on May 24, 2023, approves and allocates 5 mills for the county. The request will further be forwarded to the final Board of Commissioners meeting on June 12, 2023.
