## Resolution Authorizing the Replacement of Two Overhead Garage Doors at the Transportation Complex – LETS

**WHEREAS,** the two overhead garage doors at the Transportation Complex are nearly 25 years old and are experiencing frequent failures, causing operational challenges, significant maintenance expense, and the risk of having vehicles trapped inside the building; and

**WHEREAS,** EMS recently completed a solicitation for overhead door replacement in cooperation with CoPro+ and Fiscal Services, and a contract was awarded to the low bidder, Amerivet Services, per resolution 2023-03-044; and

**WHEREAS,** the contract has been made available to any Michigan government entity through the CoPro+ Program, including other Livingston County departments, to avoid duplicating the bid process; and

**WHEREAS,** LETS requested a quote from Amerivet Services to replace both overhead doors, and the total cost will be \$136,600; and

**WHEREAS,** the project will be funded entirely by FY 2023 Section 5339 capital grant funding with no local funds required; and

**WHEREAS,** this project was not included in the 2023 LETS budget and therefore a budget amendment will be necessary.

**THEREFORE BE IT RESOLVED** that the Livingston County Board of Commissioners hereby approves the purchase and replacement of two overhead garage doors at the Transportation Complex through Amerivet Services at a cost of \$136,600, to be funded entirely by FY 2023 Section 5339 capital grant funding.

**BE IT FURTHER RESOLVED** that the Livingston County Board of Commissioners authorizes any budget amendments necessary to effectuate the above.
