## Resolution Prohibiting Appointed Boards and Committees from Promoting Events and Activities Which are Outside of the Scope of Their Mission – Board of Commissioners

**WHEREAS,** the "Livingston Human HSCB started in 1989 and was officially recognized as the county Multi-Purpose Collaborative Body by the state and county Board of Commissioners in 1995. The HSCB is comprised of 26 appointed members that work together to coordinate health and human services across systems"; and

**WHEREAS,** the Livingston County Board of Commissioners continue to support the HSCB (Human Services Collaborative Body) in its collaboration to reduce the barriers to service of those in need; and

**WHEREAS,** the HSCB published their 2023 Summer Newsletter, distributing it on May 25, 2023; and

**WHEREAS,** the HSCB newsletter promoted events of two private organizations; and

**WHEREAS,** these private events did not involve coordinating health and human services across systems, so that these events are outside of the mission of the HSCB; and

**WHEREAS,** because these events are outside of the HSCB mission, it is inappropriate to promote these events under the banner of the HSCB. Furthermore, since the HSCB is under the jurisdiction of the Livingston County Board of Commissioners, the promotion of private events is not acceptable.

**THEREFORE, BE IT RESOLVED** this resolution prohibits any body, committee, board, authority, or any other entity appointed by the Livingston County Board of Commissioners from promoting events or activities of any entity when these events/activities are not clearly within the scope of the mission of the appointed entity.

**BE IT FURTHER RESOLVED** that this resolution applies to all entities appointed by the Livingston County Board of Commissioners, not just the HSCB.

**BE IT FINALLY RESOLVED** that the County Administrator shall distribute a copy of this resolution to all appointed members of entities established by the Livingston County Board of Commissioners.
