Re: Resolution to Apply for Michigan Department of Health and Human Resources Funding to Support Livingston County Health Department's Medical Reserve Corps

The attached resolution requests the authority to apply for funding from the Michigan Department of Health and Human Services (MDHHS) to provide Livingston County Health Department (LCHD) with the capacity to bolster our local Medical Reserve Corp (MRC). This MDHHS grant is anticipated to have approximately \$100,000 available dedicated for LCHD. These activities would include improving our onboarding process for new members, develop a strategic plan, and provide additional training to both MRC members and the public. I've attached additional resources to this Resolution request including the LCHD proposed Notice of Intent and a brief slideshow from MDHHS.

The grant funding is retroactively available to June 1, 2023 and ends May 1, 2025. There is no local match required. LCHD will seek Board approval for acceptance of funds.

Please do not hesitate to contact me should you have any questions.
