

RESOLUTION

NO: 2023-08-140

LIVINGSTON COUNTY

DATE: August 14, 2023

Resolution Authorizing an Increase in Total Authorized Vehicles for Jail and Emergency Management in FY 2024 - Car Pool

WHEREAS, the Jail and Emergency Management departments are each requesting an increase of one (1) vehicle to their respective fleets in FY 2024; and

WHEREAS, both fleet increases will be implemented by retaining current County-owned vehicles that are scheduled for replacement and would otherwise be sold at auction; and

WHEREAS, the Jail is requesting an additional vehicle due to an increase in local prisoner transports, which will increase the department's authorized fleet count from 14 vehicles to 15; and

WHEREAS, the Jail addition will be a decommissioned 2019 Dodge Durango patrol unit to be transferred from the Field Services Division and will have estimated annual operating costs of \$4,900; and

WHEREAS, the Emergency Management department is requesting an additional vehicle for the Assistant Emergency Manager for emergency response and training activities, which will increase the department's authorized fleet count from 1 vehicle to 2; and

WHEREAS, the Emergency Management addition will be the department's current 2016 Ford Interceptor that is scheduled for replacement in 2024 and will have estimated annual operating costs of \$3,950; and

WHEREAS, the estimated annual operating costs for fuel, maintenance, and insurance are included in the Jail and Emergency Management 2024 budget requests.

THEREFORE BE IT RESOLVED that the Livingston County Board of Commissioners hereby approves an increase in total authorized vehicles for the Jail from 14 vehicles to 15.

BE IT FURTHER RESOLVED that the Livingston County Board of Commissioners hereby approves an increase in total authorized vehicles for the Emergency Management Department from 1 vehicle to 2.
