

MEMO

To: County Board of Commissioners

From: Sue Bostwick

Date: August 1, 2023

Gentlemen,

It has been requested from the Veterans Board to change the 2023 winter levy, from .0564 to .0770 mills. This change would generate extra revenue for the Veterans of \$240,728 more than previously requested.

If you have any questions or concerns, I strongly encourage you to work with the Veterans Board to move forward.

Thank you,
