Heather Blair, Director of Environmental Health/Deputy Health Officer

Re: Resolution for EGLE Contract

---

The attached resolution establishes the renewal of an annual agreement with the Michigan Department of Environment, Great Lakes, and Energy (EGLE) to conduct environmental health services. EGLE provides funding to partially reimburse the county for services covered in the agreement. This resolution establishes the contract for the period October 1, 2023, through September 30, 2024.

Of note, this agreement maintains the substantial increase from last year and includes slightly more funding than FY23 (\$393,234 vs \$385,618). We received this contract last week and due to the timeliness for execution, I am asking the Board for an exception to the county grant policy and allow the application and acceptance for these funds under one resolution.

If you have any questions, please feel free to contact either myself, or Heather Blair.
