Project Title

Funding Uninsured Therapies in Michigan

**Project Description** \*Please attach additional pages with supplemental information if necessary

The Oxford Kids Foundation (OKF) has consistently championed the cause of bridging therapeutic access gaps for children and young adults in Michigan, concentrating on therapies not covered by insurance, such as: Hyperbaric Oxygen Therapy, Intensive TheraSuit Physical Therapy, Neurofeedback Therapy, Conductive Learning Therapy, Functional Nutrition Therapy, COMPASS (young adult autism behavior therapy), Hippo-therapy, Chiropractic Care, Aquatic Therapy, and more. Our commitment is unwavering: to ensure that children and young adults receive essential therapeutic care without financial barriers. This dedication is made possible by our 100% volunteer-driven workforce and our mission-centric approach where 98% of all funds raised go directly towards grants for children and young adults. Please see our website, [www.OxfordKidsFoundation.org](http://www.OxfordKidsFoundation.org) for more information.

The Oxford Kids Foundation is fully volunteer run. The volunteers are made up of local individuals who volunteer countless hours to make this grant available to children and

Project Timeline

September 2023 - June 2024
