## Memorandum

**To:** Livingston County Board of Commissioners  
**From:** David Reader, Prosecuting Attorney  
**Date:** September 11, 2023  
**Re:** Resolution Authorizing the FY 2024-2028 Cooperative Reimbursement Grant Agreement between MDHHS and the Prosecutor's Family Support Division

---

The current CRP grant agreement with MDHHS expires on September 30, 2023. By the terms of that agreement, the Prosecutor's Family Support Division is required to comply with Title IV-D standards relating to the establishment of paternity and child support orders. This function is a mandate of the Social Security Act as implemented by the State through the Office of Child Support. The agreement provides reimbursement to the County from the State for 66% of the costs associated with the services performed by the Family Support Division.

The new 5-year contract offered by MDHHS for fiscal years 2024-2028 is set to commence on 10-01-2023 and end on 09-30-2028. As in previous years, the proposed contract sets forth yearly allocations, including the 66% reimbursement to the County from the State. The respective allocations are as follows:

	<u>GROSS CONTRACT AMOUNT</u>	<u>STATE 66% ALLOCATION</u>	<u>COUNTY 34% SHARE</u>
