2. Obtain prior written authorization from the Department's Office of Communications for any materials copyrighted by the Grantee or modifications bearing acknowledgment of the Department's name prior to reproduction and use of such materials. The state of Michigan may modify the material copyrighted by the Grantee and may combine it with other copyrightable intellectual property to form a derivative work. The state of Michigan will own and hold all copyright and other intellectual property rights in any such derivative work, excluding any rights or interest granted in this Agreement to the Grantee. If the Grantee ceases to conduct business for any reason or ceases to support the copyrightable materials developed under this Agreement, the state of Michigan has the right to convert its licenses into transferable licenses to the extent consistent with any applicable obligations the Grantee has.

If funding is received through any other source, the Grantee agrees to budget the additional source of funds and reflect the source of funding on the Financial Status Report.
2. Make reasonable efforts to collect 1st and 3rd party fees, where applicable, and report those collections on the Financial Status Report. Any under recoveries of otherwise available fees resulting from failure to bill for eligible activities will be excluded from reimbursable expenditures.

C. Grant Program Operation

Provide the necessary administrative, professional and technical staff for operation of the grant program. The Grantee must obtain and maintain all necessary licenses, permits or other authorizations necessary for the performance of this Agreement.

Use an accounting system that can identify and account for the funds received from each separate grant, regardless of funding source, and assure that grant funds are not commingled.

D. Reporting

Exceptions to this policy may be granted by the Department if the Grantee asks the Department in writing within 30 days of execution of the Agreement.
2. That any executed subcontract to this Agreement must require the

subcontractor to comply with all applicable terms and conditions of this Agreement. In the event of a conflict between this Agreement and the provisions of the subcontract, the provisions of this Agreement will prevail.

A conflict between this Agreement and a subcontract, however, will not be deemed to exist where the subcontract:

- a. Contains additional non-conflicting provisions not set forth in this Agreement;

2. The Grantee will ensure that any subcontractor will have the same obligations as the Grantee not to share any protected health data and information from the Department that falls under HIPAA requirements in the terms and conditions of the subcontract.
3. The Grantee must only use the protected health data and information for the purposes of this Agreement.
4. The Grantee must have written policies and procedures addressing the use of protected health data and information that falls under the HIPAA requirements. The policies and procedures must meet all applicable federal and state requirements including the HIPAA regulations. These policies and procedures must include restricting access to the protected health data and information by the Grantee's employees.
5. The Grantee must have a policy and procedure to immediately report to the Department any suspected or confirmed unauthorized use or disclosure of protected health information that falls under the HIPAA requirements of which the Grantee becomes aware. The Grantee will work with the Department to mitigate the breach and will provide assurances to the Department of corrective actions to prevent further unauthorized uses or disclosures. The Department may demand specific corrective actions and assurances and the Grantee must provide the same to the Department.
6. Failure to comply with any of these contractual requirements may result in the termination of this Agreement in accordance with Part 2, Section V.
7. In accordance with HIPAA requirements, the Grantee is liable for any claim, loss or damage relating to unauthorized use or disclosure of protected health data and information, including without limitation the Department's costs in responding to a breach, received by the Grantee from the Department or any other source.

2. Grantee Use of State Data. Grantee is provided a limited license to State Data for the sole and exclusive purpose of providing the activities outlined in the Agreement's Statement of Work, including a license to collect, process, store, generate, and display State Data only to the extent necessary in the provision of the Agreement's Statement of Work. 752.795.

3. Extraction of State Data. 5. Loss or Compromise of Data. In the event of any act, error or omission, negligence, misconduct, or breach on the part of Grantee that compromises or is suspected to compromise the security, confidentiality, or integrity of State Data or the physical, technical, administrative, or organizational safeguards put in place by Grantee that relate to the protection of the security, confidentiality, or integrity of State Data, Grantee must, as applicable: (a) notify the Department as soon as practicable but no later than 24 hours of becoming aware of such occurrence; (b) cooperate with the Department in investigating the occurrence, including making available all relevant records, logs, files, data reporting, and other materials required to comply with applicable law or as otherwise required by the Department; (c) in the case of PII or PHI, at the Department's sole election, (i) with approval and assistance from the Department, notify the affected individuals who comprise the PII or PHI as soon as practicable but no later than is required to comply with applicable law, or, in the absence of any legally required notification period, within five calendar days of the occurrence; or (ii) reimburse the Department for any costs in notifying the affected individuals; (d) in the case of PII, provide third-party credit and identity monitoring services to each of the affected individuals who comprise the PII for the period required to comply with applicable law, or, in the absence of any legally required monitoring services, for no less than 24 months following the date of notification to such individuals; (e) perform or take any other actions required to comply with applicable law as a result of the occurrence; (f) pay for any costs associated with the occurrence, including but not limited to any costs incurred by the Department in investigating and resolving the occurrence, including reasonable attorney's fees associated with such investigation and resolution; (g) without limiting Grantee's obligations of indemnification as further described in this Agreement, indemnify,

Notification to affected individuals, as described above, must comply with applicable law, be written in plain language, not be tangentially used for any solicitation purposes, and contain, at a minimum: name and contact information of Grantee's representative; a description of the nature of the loss; a list of the types of data involved; the known or approximate date of the loss; how such loss may affect the affected individual; what steps Grantee has taken to protect the affected individual; what steps the affected individual can take to protect himself or herself; contact information for major credit card reporting agencies; and, information regarding the credit and identity monitoring services to be provided by Grantee. The Department will have the option to review and approve any notification sent to affected individuals prior to its delivery. Notification to any other party, including but not limited to public media outlets, must be reviewed, and approved by the Department in writing prior to its dissemination. The parties agree that any damages relating to a breach of this section are to be considered direct damages and not consequential damages.

6. Surrender of Confidential Information upon Termination. Upon termination or expiration of this Contract or a Statement of Work, in whole or in part, each party must, within 5 Business Days from the date of termination, return to the other party any and all Confidential Information received from the other party, or created or received by a party on behalf of the other party, which are in such party's possession, custody, or control. Upon confirmation from the State, of receipt of all data, Grantee must permanently sanitize or destroy the State's Confidential Information, including State Data, from all media including backups using National Security Agency ("NSA") and/or National Institute of Standards and Technology ("NIST") (NIST Guide for Media Sanitization 800-88) data sanitization methods or as otherwise instructed by the State. If the State determines that the return of any Confidential Information is not feasible or necessary, Grantee must destroy the Confidential Information as specified above. The Grantee must certify the destruction of Confidential Information

(including State Data) in writing within 5 Business Days from the date of confirmation from the State. Any requirement on the Grantee's part to retain data beyond the end of this contract must be authorized by the State

Q. Non-Disclosure of Confidential Information

1. The Grantee agrees that it will use confidential information solely for the purpose of this Agreement. The Grantee agrees to hold all confidential information in strict confidence and not to copy, reproduce, sell, transfer or otherwise dispose of, give or disclose such confidential information to third parties other than employees, agents, or subcontractors of a party who have a need to know in connection with this Agreement or to use such confidential information for any purpose whatsoever other than the performance of this Agreement. The Grantee must take all reasonable precautions to safeguard the confidential information. These precautions must be at least as great as the precautions the Grantee takes to protect its own confidential or proprietary information.
2. Meaning of Confidential Information
For the purpose of this Agreement the term "confidential information" means all information and documentation that:
 - a. Has been marked "confidential" or with words of similar meaning, at the time of disclosure by such party;
 - b. If disclosed orally or not marked "confidential" or with words of similar meaning, was subsequently summarized in writing by the disclosing party and marked "confidential" or with words of similar meaning;
 - c. Should reasonably be recognized as confidential information of the disclosing party;
 - d. Is unpublished or not available to the general public; or
 - e. Is designated by law as confidential.
3. The term "confidential information" does not include any information or documentation that was:
 - a. Subject to disclosure under the Michigan Freedom of Information Act (FOIA);
 - b. Already in the possession of the receiving party without an obligation of confidentiality;
 - c. Developed independently by the receiving party, as demonstrated by the receiving party, without violating the disclosing party's proprietary rights;
 - d. Obtained from a source other than the disclosing party without an obligation of confidentiality; or

- e. Publicly available when received or thereafter became publicly available (other than through an unauthorized disclosure by, through or on behalf of, the receiving party).
4. The Grantee must notify the Department within one business day after discovering any unauthorized use or disclosure of confidential information. The Grantee will cooperate with the Department in every way possible to regain possession of the confidential information and prevent further unauthorized use or disclosure.

R. Data Privacy and Information Security

1. Undertaking by Grantee. Without limiting Grantee's obligation of confidentiality as further described, Grantee is responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (a) ensure the security and confidentiality of the State Data; (b) protect against any anticipated threats or hazards to the security or integrity of the State Data; (c) protect against unauthorized disclosure, access to, or use of the State Data; (d) ensure the proper disposal of State Data; and (e) ensure that all employees, agents, and subcontractors of Grantee, if any, comply with all of the foregoing. In no case will the safeguards of Grantee's data privacy and information security program be less stringent than the safeguards used by the Department, and Grantee must at all times comply with all applicable State policies and standards, which are available to Grantee upon request.
2. Audit by Grantee. No less than annually, Grantee must conduct a comprehensive independent third-party audit of its data privacy and information security program and provide such audit findings to the Department.
3. Right of Audit by the State. Without limiting any other audit rights of the Department, the Department has the right to review Grantee's data privacy and information security program prior to the commencement of the Agreement's Statement of Work and from time to time during the term of this Agreement. During the providing of the Agreement's Statement of Work, on an ongoing basis from time to time and without notice, the Department, at its own expense, is entitled to perform, or to have performed, an on-site audit of Grantee's data privacy and information security program. In lieu of an on-site audit, upon request by the Department, Grantee agrees to complete, within 45 calendar days of receipt, an audit questionnaire provided by the Department regarding Grantee's data privacy and information security program.
4. Audit Findings. Grantee must implement any required safeguards as

identified by the Department or by any audit of Grantee's data privacy and information security program.

S. Cap on Salaries

None of the funds awarded to the Grantee through this Agreement will be used to pay, either through a grant or other external mechanism, the salary of an individual at a rate in excess of Executive Level II. The current rates of pay for the Executive Schedule are located on the United States Office of Personnel Management web site, <http://www.opm.gov>, by navigating to Policy — Pay & Leave — Salaries & Wages. The salary rate limitation does not restrict the salary that a Grantee may pay an individual under its employment; rather, it merely limits the portion of that salary that may be paid with funds from this Agreement.

IV. Financial Requirements

A. Operating Advance

An operating advance may be requested by the Grantee to assist with program operations. The request should be addressed to the Contract Manager identified in Part 1, Section VIII. The operating advance will be administered as follows:

1. The operating advance amount requested must be reasonable in relation to factors including but not limited to program requirements, the period of the Agreement, and the financial obligation. The advance must not exceed 16.67 percent of operating expenses. Operating advances will be monitored and adjusted by the Department relative to the Agreement amount.
2. The operating advance must be recorded as an account payable liability to the Department in the Grantee's financial records. The operating advance payable liability must remain in the Grantee's financial records until fully recovered by the Department.
3. The reimbursement for actual expenditures by the Department should be used by the Grantee to replenish the operating advance used for program operations.
4. The operating advance must be returned to the Department within 30 days of the end date of this Agreement unless the Grantee has a recurring agreement with the Department. Subsequent Department agreements may not be executed if an outstanding operational advance has not been repaid.

The Department may obtain the Michigan Department of Treasury's assistance in collecting outstanding operating advances. The Department will comply with the Michigan Department of Treasury's Due Process procedures prior to forwarding claims to Treasury. Specific

Due Process procedures include the following:

- a. An offer from the Department of a hearing to dispute the debt, identifying the time, place and date of such hearing.
 - b. A hearing by an impartial official.
 - c. An opportunity for the Grantee to examine the Department's associated records.
 - d. An opportunity for the Grantee to present evidence in person or in writing.
 - e. A hearing official with full authority to correct errors and decide not to forward debt to Treasury.
 - f. Grantee representation by an attorney and presentation of witnesses if necessary.
5. If the Grantee has a recurring agreement with the Department, the Department requires an annual confirmation of the outstanding operating advance. At the end of either the Agreement period or Department's fiscal year, whichever is first, the Grantee must respond to the Department's request for confirmation of the operating advance. Failure to respond to the confirmation request may result in the Department recovering all or part of an outstanding operating advance.

B. Reimbursement Method

The Grantee will be paid for allowable expenditures incurred by the Grantee, submitted for reimbursement on the Financial Status Reports (FSRs) and approved by the Department. Reimbursement from the Department is based on the understanding that Department funds will be paid up to the total Department allocation as agreed to in the approved budget. Department funds are the first source after the application of fees and earmarked sources unless a specific local match condition exists.

C. Financial Status Report Submission

The Grantee must electronically prepare and submit FSRs to the Department via the EGrAMS website <http://egram-mi.com/mdhhs>.

FSRs must be submitted on a monthly basis, no later than 30 days after the close of each calendar month. The monthly FSRs must reflect total actual program expenditures, up to the total agreement amount. Failure to meet financial reporting responsibilities as identified in this Agreement may result in withholding future payments.

The Grantee representative who submits the FSR is certifying to the best of their knowledge and belief that the report is true, complete and accurate and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of this Agreement. The individual submitting the FSR should be aware that any false, fictitious or fraudulent information, or the omission of any material facts, may subject them

to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise.

The instructions for completing the FSR form are available on the EGrAMS website <http://egram-mi.com/mdhhs>. Send FSR questions to FSRMDHHS@michigan.gov.

D. Reimbursement Mechanism

All Grantees must register using the on-line vendor self-service site to receive all state of Michigan payments as Electronic Funds Transfers (EFT)/Direct Deposits, as mandated by MCL 18.1283a. Vendor registration information is available through the Department of Technology, Management and Budget's web site: <https://www.michigan.gov/sigmavss>.

E. Final Obligations and Financial Status Reporting Requirements

1. Obligation Report

The Obligation Report, based on annual guidelines, must be submitted by the due date established by and using the format provided by the Department's Expenditures Operations Division. The Grantee must provide an estimate of unbilled expenditures for the entire Agreement period. The information on the report will be used to record the Department's year-end accounts payable and receivable for this Agreement.

2. Department-wide Payment Suspension

A temporary payment suspension is in effect on agreements during the Department's year-end closing period. The Department will notify the Grantee of the date by which FSRs should be submitted to ensure payment prior to the payment suspension period.

3. Final FSRs

Final FSRs are due 30 days following the end of the Agreement period. The final FSR must be clearly marked "Final." Final FSRs not received by the due date may result in the loss of funding requested on the Obligation Report and may result in a potential reduction in a subsequent year's Agreement amount.

F. Unobligated Funds

Any unobligated balance of funds held by the Grantee at the end of the Agreement period will be returned to the Department within 30 days of the end of the Agreement or treated in accordance with instructions provided by the Department.

G. Indirect Costs

The Grantee may use an approved federal or state indirect rate in their budget calculations and financial status reporting. If the Grantee does not have an existing approved federal or state indirect rate, they may use a 10% de minimis rate in accordance with 2 CFR 200 to recover their indirect costs. Governmental Grantees with an existing cost allocation plan may budget accordingly in lieu of an indirect cost rate. Non-governmental Grantees may use a cost allocation plan only if the plan was in place prior to December 26, 2014.

V. Agreement Termination

This Agreement may be terminated without further liability or penalty to the Department for any of the following reasons:

- A. By either party by giving 30 days written notice to the other party stating the reasons for termination and the effective date.
- B. By either party with 30 days written notice upon the failure of either party to carry out the terms and conditions of this Agreement, provided the alleged defaulting party is given notice of the alleged breach and fails to cure the default within the 30-day period.
- C. Immediately if the Grantee or an official of the Grantee or an owner is convicted of any activity referenced in Part 2 Section III. D. of this Agreement during the term of this Agreement or any extension thereof.
- D. Immediately if the Department determines that Grantee fails or has failed to meet its obligations under Part 2 Section III.

VI. Stop Work Order

The Department may suspend any or all activities under this Agreement at any time. The Department will provide the Grantee with a written stop work order detailing the suspension. Grantee must comply with the stop work order upon receipt. The Department will not pay for activities, Grantee's incurred expenses or financial losses, or any additional compensation during a stop work period.

VII. Final Reporting Upon Termination

Should this Agreement be terminated by either party, within 30 days after the termination, the Grantee must provide the Department with all financial, performance and other reports required as a condition of this Agreement. The Department will make payments to the Grantee for allowable reimbursable costs not covered by previous payments or other state or federal programs. The Grantee must immediately refund to the Department any funds not authorized for use and any payments or funds advanced to the Grantee in excess of allowable reimbursable expenditures.

VIII. Severability

If any part of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, that part will be deemed deleted from this Agreement and the severed part will be replaced by agreed upon language that achieves the same or similar objectives. The remaining parts of the Agreement will continue in full force and

effect.

IX. Waiver

Failure by the Department to enforce any provision of this Agreement will not constitute a waiver of the Department's right to enforce any other provision of this Agreement.

X. Amendments

Any changes to this Agreement will be valid only if made in writing and executed by all parties through an amendment to this Agreement. Any change proposed by the Grantee which would affect the Department funding of any project must be submitted in writing to the Department immediately upon determining the need for such change. The Department has sole discretion to approve or deny the amendment request. The Grantee must, upon request of the Department and receipt of a proposed amendment, amend this Agreement.

XI. Liability

The Grantee assumes all liability to third parties, loss, or damage because of claims, demands, costs, or judgments arising out of activities, such as but not limited to direct activity delivery, to be carried out by the Grantee in the performance of this Agreement, under the following conditions:

- A. The liability, loss, or damage is caused by, or arises out of, the actions of or failure to act on the part of the Grantee, any of its subcontractors, or anyone directly or indirectly employed by the Grantee.
- B. Nothing herein will be construed as a waiver of any governmental immunity that has been provided to the Grantee or its employees by statute or court decisions.

The Department is not liable for consequential, incidental, indirect or special damages, regardless of the nature of the action.

XII. State of Michigan Agreement

This Agreement is governed, construed, and enforced in accordance with Michigan law, excluding choice-of-law principles, and all claims relating to or arising out of this Agreement are governed by Michigan law, excluding choice-of-law principles. Any dispute arising from this Agreement must be resolved in the Michigan Court of Claims. Complaints against the State must be initiated in Ingham County, Michigan. Grantee waives any objections, such as lack of personal jurisdiction or forum non conveniens. Grantee must appoint an agent in Michigan to receive service of process.
