Re: Michigan Drug Court Grant Program Award Notification
44th Circuit Court — Hybrid DWI/Drug Court
SCAO UI: U10063

Dear Chief Judge Hatty:

I am pleased to inform you that your court has been awarded a grant in the amount of \$50,000 from the Michigan Drug Court Grant Program (MDCGP) administered by the State Court Administrative Office (SCAO). This award is for the grant period October 1, 2023, through September 30, 2024. The award is contingent upon SCAO being awarded and receiving federal grant awards in the full amount requested.

Your court's fiscal year 2024 contract will be e-mailed from DocuSign to your project director, Sara Applegate. Signed contracts must be returned by December 15, 2023. The budget, based on your court's actual award, must be updated in WebGrants by November 3, 2023. Instructions for revising your budget are attached to the message your project director will receive from WebGrants.

Each year we receive grant requests that greatly exceed the total amount spent in the preceding fiscal year and available funding for awards to courts. However, your grant award should fully fund your program operations based on recent program spending.

Additionally, SCAO will continue to consider requests for reallocation of grant funds. A reallocation is a mid-year decrease or increase of your grant award. For example, a program that needs additional grant funding may request a reallocation to increase the program's grant award. Reallocation requests are submitted in WebGrants, and SCAO staff will review and make reallocation determinations after second-quarter claims are submitted and after third-quarter

claims are submitted. A reallocation that decreases or increases a program's grant award are based on actual prior spending and projected spending for the remainder of the fiscal year.

The Michigan Supreme Court and SCAO greatly appreciate your efforts and passion for these life-saving court programs. Thank you for making a positive difference in so many lives.

If you have any questions about the grant or need assistance regarding best practices, please contact Andrew Smith at 517-373-0954 or smitha@courts.mi.gov. For assistance in publicizing the success of your court, please contact John Nevin at 517-373-0129 or nevinj@courts.mi.gov.
