

COUNTY OF LIVINGSTON

INSULIN PRICING LITIGATION SERVICES AGREEMENT

THIS AGREEMENT is made and entered into by and between the COUNTY OF LIVINGSTON, a municipal corporation and political subdivision of the State of Michigan, and Weitz & Luxenberg P.C. (“W&L”) as lead counsel, and the Sam Bernstein Law Firm PLLC and Behm & Behm Law Firm (collectively, “Claimant’s Counsel”) to prosecute and adjust for Livingston County a claim for past and future damages and/or expenditures caused by the culpable conduct of any and all pharmaceutical manufacturers, retailers, and/or pharmacy benefit managers as it relates to the pricing of insulin products. Livingston County hereby gives Claimant’s Counsel the exclusive right to take all legal steps to enforce its claims in this matter for the duration of the Agreement.

This fee will be paid only if there is a recovery and will be deducted after the reimbursement of the litigation expenses and costs. Litigation expenses and costs include but are not limited to filing fees, costs associated with conducting discovery, hearings, conferences, meetings, trials, expert consultation and testimony, and investigation costs.

All costs and expenses will be advanced by W&L. At the conclusion of the litigation, the County is entitled to review and contest the reasonableness of any expenses incurred and allocated to the County.

Claimant’s Counsel shall provide periodic updates on the status of the litigation, including material developments related to settlement, motion practice, and trial. The contacts for provision of such notice to the County will be:
