2.1 INITIAL SOFTWARE LICENSING

Karpel Solutions has granted PAAM the sole ability to provide perpetual software licenses for PbK within the State of Michigan. PAAM shall only provide said licenses to the individual Counties of Michigan and/or any State of Michigan Agencies who are or may become members of the Prosecuting Attorneys Association of Michigan Case Management Project (hereinafter referred to as "PAAMCMP").

Karpel Solutions shall extend the rights of the software license to allow for a Karpel hosted test environment for the purpose of testing the compatibility of the software with any upgraded or new software, which interfaces with the software, or testing a new version or release of the software with existing software. The test environment may or may not be executed on the same hardware as the production system. This copy of the software shall not be used for production purposes. PAAM and Client users shall be authorized to use the Karpel hosted test environment at no additional cost.

2.2 BILLING

PAAM has agreed to be the central billing entity until September 30, 2026. After that date each client will be billed individually. Each Client will complete a request for installation form that will be provided to Karpel Solutions. The full scope of work, first year costs and maintenance costs will be included within this form. Each Client that completes and signs this form will be added to the main contract as an addendum to track total licenses installed.

PAAM reserves the right to make contract/addendum payments to Karpel Solutions through electronic funds transfer (EFT) or by check. Payments shall be made in arrears of receiving product/services except for software maintenance/support payments and subscriptions which may be paid at the start of each yearly maintenance renewal period.

 - b. Client is responsible for validating their data and code table set up during the project. Validating data is key to a successful implementation. If issues arise with converted data after go-live, Karpel Solutions will determine if a fix is possible, and an additional fee may be required for the work required to fix the issue. The Client is responsible for any such fees.
7. **PASSWORD PROTECTION AND USER REQUIREMENTS.** Access to the Software Program(s) is password-protected. Karpel Solutions provides multiple authentication alternatives for access to the Software Program(s). KARPEL SOLUTIONS STRONGLY ENCOURAGES THE USE OF STRONG PASSWORD AUTHENTICATION. 3. Interfaces not currently in production will be considered as "Phase 2" and implemented post-go live.
4. The above costs do not include additional hardware, Microsoft licenses, or networking services which may be necessary to properly and legally operate the Software Program(s). Such expenses are solely Client's responsibility.
5. Changes to the Project Scope/Timeline will impact and affect other work of Karpel Solutions and other Clients and will result in an increased financial burden to Karpel Solutions which may be difficult to ascertain or estimate. Accordingly, any changes to the Project Scope/Timeline after execution of this Agreement may result in an additional fee in the amount of 10% of the total cost for the project to account for the additional time and expenses that will be incurred by Karpel Solutions in order to accommodate any such changes. In addition, travel expenses as outlined in the Cost Sheet will no longer be applicable, and any such expenses will be charged to Client at the actual cost incurred by Karpel Solutions. No Client changes to project scope/timeline may be made without prior approval by PAAM. PAAM reserves the right to deny requests for changes to the project scope and timeline that would increase the cost or change the timeline of the project.
6. Karpel Solutions will honor pricing proposals for Optional Services for up to 90 days of execution of this Agreement. Upon the request of Client to provide an Optional Service, an official notice to begin the service must be received from Client before the Optional Services will be provided by Karpel Solutions. This is to ensure there are no misunderstandings between Client and Karpel Solutions as to the provision of Optional Services.
7. The aggregate document / file storage space included with the stated hosted service fee is two terabytes (2TB) of storage per instance of the Software Program(s). If Client's storage exceeds 2TB in any instance, any additional storage above 2TB will automatically be added to Client's bill at the rate(s) set forth in the Cost Sheet. Client hereby consents to this additional charge in advance and waives any requirement for additional notice regarding the same. Such additional charges will not be paid by PAAM.
8. Statewide service is a free service provided to all PROSECUTORbyKarpel clients. To enroll in and activate this additional service, the *Memorandum Of Understanding at Appendix A* must be separately signed by Client.
9. Client agrees to pay Karpel Solutions for any materials purchased for Client's use. Materials may include computer hardware, software, hosting, facility leases, other services, telecommunications charges, freight, shipping, mailing, document reproduction and any other such costs incurred in performance of services for Client. Client will reimburse Karpel Solutions for all out-of-town travel expenses, such as automobile/airline travel, hotel, meals, and ground transportation. PAAM will not pay for such costs.

Karpel Solutions will seek approval from Client if additional work becomes necessary to make requested changes during the project.
11. Upon termination of this Agreement, whether by Client, Karpel, or mutual agreement of the parties, Client agrees to pay to Karpel Solutions a data collection fee in the amount of \$1,000 to compensate Karpel Solutions for its time and services required in connection with the return of Client Content and Confidential Information upon termination of this Agreement.

12. Annual fees for the Agreement will begin upon Client's go-live month and will be due and payable on the first of the month each year thereafter, unless Karpel Solutions or Client gives notice as set forth herein of intent not to renew or otherwise terminates this Agreement as set forth in "Termination" below.
13. TERM. 6. ANNUAL SUPPORT

6.1 TECHNICAL SUPPORT FEES

Client understands that technical support fees will be required annually, in order to receive software updates and technical support. The support period shall begin from the date of go-live as part of the initial first year costs. Client may elect to purchase subsequent annual support, on a yearly basis at a fixed cost, and billed annually, separate and apart from any license fees required by this Agreement. The option to purchase annual support is solely at Client's discretion. Client's license to use the Software Program(s) is not dependent upon Client purchasing annual support; however, if Client discontinues annual support, Client will not be provided with updated versions of the Software Program(s), unless the updates are purchased by Client. Provided Client's computers, network and systems meet recommended specifications set by Karpel Solutions and Client has purchased and is current with annual support payments, Karpel Solutions will provide updated versions of the Software Program(s) as they become available during the terms of the Agreement. If Client elects to renew the annual support service, Karpel Solutions has the right to increase current pricing for annual support at the time of renewal, provided that notice of the increased pricing is provided to Client prior to the effective date of the renewal of the annual support service.

6.1.4 RESPONSE TIMES

Karpel Solutions will be responsive and timely to technical support calls/inquires made by Client. Client will first make support inquires through their qualified system administrators to assure the policies and business practices of Client are enforced prior to contacting Karpel Solutions. The timeliness of the response is dependent upon the severity of the issue/support problem, as defined below:

The severity of the issue/support problem shall determine the average problem resolution response time as follows:*

**If the remote support tool is not installed or available with respect to a reported issue, Karpel Solutions will not provide technical support for any such reported issues.*

Severity Level 1 shall be defined as urgent situations, when Client's production system is down and Client is unable to use the Software Program(s), Karpel Solutions' technical support staff shall accept Client's call for assistance at the time Client places the initial call; however, if such staff is not immediately available, Karpel Solutions shall return Client's call within one (1) business hour. Karpel Solutions shall resolve Severity Level 1 problems as quickly as possible, which on average should not exceed two (2) business days, unless otherwise authorized in writing by Client.

Severity Level 2 shall be defined as critical Software Program(s) system component(s) that have significant outages and/or failure precluding successful operation, and possibly endangering the customer's environment. The Software Program(s) may operate but are severely restricted. Karpel Solutions' technical support staff shall accept Client's call for assistance at the time Client places the initial call; however, if such staff is not immediately available, Karpel Solutions shall return Client's call within four (4) business hours. Karpel Solutions shall resolve Severity Level 2 problems as quickly as possible, which on average should not exceed three (3) business days, unless otherwise authorized in writing by Client.

Severity Level 3 shall be defined as a minor problem that exists with the Software Program(s), but the majority of the functions are still usable, and some circumvention may be required to provide service. Karpel Solutions' technical support staff shall accept Client's call for assistance at the time Client places the initial call; however, if such staff is not immediately available, Karpel Solutions shall return Client's call on average no later than the next business day. Karpel Solutions shall resolve Severity Level 3 problems as quickly as possible, which should not exceed the next available release of Software Program(s), unless otherwise authorized in writing by Client.

General Assistance: For general Software Program(s) support/helpdesk calls not covered by the above severity level descriptions, Karpel Solutions' technical support staff shall accept Client's call for assistance at the time Client places the initial call; however, if such staff is not immediately available, Karpel Solutions shall return Client's call on average no later than the next business day.

Karpel Solutions provides services for the administration of criminal justice through software for prosecutors to manage and track criminal cases. Accordingly, Karpel Solutions agrees to comply with CJIS Policy 5.1.1.5(1) and all CJIS requirements applicable to private contractors including those specifically required by the CJIS Security Addendum (Appendix C) to this contract, which is incorporated by reference and made part of this contract.

Client is granted a non-exclusive, non-transferable license with respect to the Software Program(s) on the terms and conditions set forth in this Agreement.

CLIENT OWNERSHIP: Client retains all rights, title, and interests in and to Client Content. Client hereby grants to Karpel Solutions and Karpel Solutions hereby accepts a non-exclusive, non-transferable, worldwide, fully paid license to use, copy, and modify Client Content solely to the extent necessary and for the sole purposes of providing access to the Software Program(s) or otherwise complying with its obligations under this Agreement.

COPYRIGHT. Karpel Solutions reserves the right to seek damages if Client is responsible for a violation of Karpel Solutions' copyright, and Client assumes full responsibility for the acts and omissions of its agents acting in the course and scope of their duties for Client with respect to the protection of Karpel Solutions' copyright.

8. LICENSE TERMS AND USE

The Software Programs are proprietary products of Karpel Solutions. They are licensed (not sold) and are licensed to Client for its use and only in accordance with the terms set forth below. During the term of this Agreement, Karpel Solutions hereby grants Client a non-exclusive, non-transferable right and license to use the Software Program(s) solely in accordance with the terms of this Agreement. Client's license will terminate immediately and automatically upon the expiration or termination of this Agreement. Client may not sub-license any rights under this Agreement to any party without Karpel Solution's prior written consent, which may be withheld by Karpel Solutions in its sole and absolute discretion. Client's license is subject at all times to Client's full compliance with this Agreement.

1. Karpel Solutions hereby grants Client a non-exclusive and non-transferable sublicense to use any associated Documentation furnished.
2. Client cannot distribute, rent, sublicense, or lease the Software Program(s). A separate license of the Software Program(s) is required for each authorized user or employee. Each license of the Software Program(s) may not be shared by more than one full time employee or user (defined as working 20 hours or more per week), nor by more than two (2) part-time employees or users (defined as working less than 20 hours per week each and working no more than 40 hours per week combined).

Client agrees to allow Karpel Solutions to audit Client's use of the Software Program(s) and licenses of the Software Program(s) at any time. Client will cooperate with respect to the audit, including providing access to any books, computers, records, or other information that relate to the use of the Software Program(s). Such audit will not unreasonably interfere with Client's activities.

In the event that an audit reveals unauthorized use, reproduction, distribution, or other exploitation of the Software Program(s), Karpel Solutions shall be entitled to, and Client must pay to Karpel Solutions, the monetary equivalent of the costs that would have been incurred by Client had Client properly obtained the license, installation and training for the unauthorized user(s) associated with each violation, and Client will also reimburse Karpel Solutions for the reasonable cost of the audit, in addition to any other remedies to which Karpel Solutions may be entitled under the law.

3. This license does not transfer any rights to Software Program(s) source codes, unless Karpel Solutions ceases to do business without transferring its obligations under this Agreement to another qualified software business. Karpel Solutions will, at Client's expense, enter into escrow agreement for the storage of the source codes.
4. Client may not use, copy, modify, or transfer the Software Program(s) or Documentation, in whole or in part, except as expressly provided herein. The Software Program(s) and the Documentation are protected by copyright and trade secret laws. Karpel Solutions retains all rights in any copy, derivative or modification to the Software Program(s) and Documentation no matter by whom made. The Software Program(s) are licensed for single installations of one full time employee, or two part-time employees as set forth above. A separate license is required for each installation of the Software Program(s). Client shall not provide or disclose or otherwise make available the Software Program(s) or any portion thereof in any form to any third party. Client acknowledges that unauthorized copying and/or distribution will cause substantial damage to Karpel Solutions far greater than the value of the copies involved.

For all purposes of the Freedom of Information Act or any other similar statutory right of "open" or public records, the Software Program(s) and Documentation shall be considered exempt from disclosure. The Software Program(s) are "commercial computer software" subject to limited utilization "Restricted Rights." 16. Appendix C CJIS Security Addendum

The goal of this document is to augment the CJIS Security Policy to ensure adequate security is provided for criminal justice systems while (1) under the control or management of a private entity or (2) connectivity to FBI CJIS Systems has been provided to a private entity (contractor). Adequate security is defined in Office of Management and Budget Circular A-130 as “security commensurate with the risk and magnitude of harm resulting from the loss, misuse, or unauthorized access to or modification of information.”

The intent of this Security Addendum is to require that the Contractor maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

This Security Addendum identifies the duties and responsibilities with respect to the installation and maintenance of adequate internal controls within the contractual relationship so that the security and integrity of the FBI’s information resources are not compromised. The security program shall include consideration of personnel security, site security, system security, and data security, and technical security.

The provisions of this Security Addendum apply to all personnel, systems, networks, and support facilities supporting and/or acting on behalf of the government agency.

1.00 Definitions

1.01 Contracting Government Agency (CGA) – the government agency, whether a Criminal Justice Agency or a Noncriminal Justice Agency, which enters into an agreement with a private contractor subject to this Security Addendum.

1.02 Contractor – a private business, organization or individual which has entered into an agreement for the administration of criminal justice with a Criminal Justice Agency or a Noncriminal Justice Agency.

2.00 Responsibilities of the Contracting Government Agency.

2.01 The CGA will ensure that each Contractor employee receives a copy of the Security Addendum and the CJIS Security Policy and executes an acknowledgment of such receipt and the contents of the Security Addendum. The signed acknowledgments shall remain in the possession of the CGA and available for audit purposes. The acknowledgement may be signed by hand or via digital signature (see glossary for definition of digital signature).

3.00 Responsibilities of the Contractor.

3.01 The Contractor will maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed and all subsequent versions), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

4.00 Security Violations.

4.01 The CGA must report security violations to the CJIS Systems Officer (CSO) and the Director, FBI, along with indications of actions taken by the CGA and Contractor.

4.02 Security violations can justify termination of the appended agreement.

4.03 Upon notification, the FBI reserves the right to:

- a. Investigate or decline to investigate any report of unauthorized use;
- b. Suspend or terminate access and services, including telecommunications links. The FBI will provide the CSO with timely written notice of the suspension. Access and services will be reinstated only after satisfactory assurances have been provided to

the FBI by the CGA and Contractor. Upon termination, the Contractor's records containing CHRI must be deleted or returned to the CGA.

5.00 Audit

5.01 The FBI is authorized to perform a final audit of the Contractor's systems after termination of the Security Addendum.

6.00 Scope and Authority

6.01 This Security Addendum does not confer, grant, or authorize any rights, privileges, or obligations on any persons other than the Contractor, CGA, CJA (where applicable), CSA, and FBI.

6.02 The following documents are incorporated by reference and made part of this agreement: (1) the Security Addendum; (2) the NCIC 2000 Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20. The parties are also subject to applicable federal and state laws and regulations.

6.03 The terms set forth in this document do not constitute the sole understanding by and between the parties hereto; rather they augment the provisions of the CJIS Security Policy to provide a minimum basis for the security of the system and contained information and it is understood that there may be terms and conditions of the appended Agreement which impose more stringent requirements upon the Contractor.

6.04 This Security Addendum may only be modified by the FBI and may not be modified by the parties to the appended Agreement without the consent of the FBI.

6.05 All notices and correspondence shall be forwarded by First Class mail to:

CERTIFICATION

I hereby certify that I am familiar with the contents of (1) the Security Addendum, including its legal authority and purpose; (2) the NCIC Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20, and agree to be bound by their provisions.

I recognize that criminal history record information and related data, by its very nature, is sensitive and has potential for great harm if misused. I acknowledge that access to criminal history record information and related data is therefore limited to the purpose(s) for which a government agency has entered into the contract incorporating this Security Addendum. I understand that misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; using, disseminating or re-disseminating information received as a result of this contract for a purpose other than that envisioned by the contract, may subject me to administrative and criminal penalties. I understand that accessing the system for an appropriate purpose and then using, disseminating or re-disseminating the information received for another purpose other than execution of the contract also constitutes misuse. I further understand that the occurrence of misuse does not depend upon whether or not I receive additional compensation for such authorized activity. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.
