Memorandum

To: Board of Commissioners
From: Therese Cremona, Emergency Manager
Date: April 18, 2024
Re: Appointments to the Livingston County Local Emergency Planning Committee

The *Emergency Planning and Community Right-To-Know Act*, also known as *SARA Title III of 1986*, establishes requirements for federal, state and local governments, as well as industries, regarding emergency planning and a community's right-to-know about hazardous and toxic chemicals within that community.

The aforementioned act requires the governor of each state to designate a State Emergency Response Commission (SERC). The SERC is then responsible for designating local emergency planning districts and appointing local emergency planning committees (LEPC) within each district. Livingston County is a planning district with a serving LEPC.

The current term of all Livingston County LEPC members expired December 31, 2023. The Livingston County Emergency Management Department requests the Board of Commissioners pass the attached resolution affirming members for an uncompensated two-year term expiring December 31, 2025.
