Quotation Number: M2024-0002

Location: Livingston County Administration Building
304 East Grand River Avenue
Howell, MI. 48043

We are pleased to submit a quotation for the following special services:

- The existing Raypak boiler will be disconnected and removed from the customer's site and disposed of properly.
- We will install a new Lochinvar Knight EX KBX1000 MBH condensing boiler with modulation of 100,000 btu – 1,000,000 btu.
- The new Lochinvar boiler will be connected to the existing PVC flue pipe, gas pipe, and the electrical circuit from the Raypak will be used for the new Lochinvar.
- The new Lochinvar boiler will have a Grundfos pump that will be controlled by the new Lochinvar that will be connected to the existing supply and return lines.
- When the installation is completed, we will pressure test the new boiler circuit and gas line, insulate the new boiler piping, and then test the operation of the new boiler.
- Start-up will be done, and the information will be documented, and the maintenance staff will be instructed on operation and maintenance.
- The boilers will be connected, and the lead boiler will be set up to control the sequencing and outdoor reset of both boilers.

Total Cost: \$ 68,250.00

Delivery: TBD

Notes and Exceptions:

- Building control upgrades are not included in this quote.

Customer Obligations

The customer shall:

- Operate the equipment in accordance with manufacturer's recommended instructions.
- Promptly notify William E. Walter, Inc. of any unusual operating conditions.
- Provide access to the equipment including removal, replacement, or refinishing of the building structure if necessary.
- Pay for any services and materials not specifically included in this agreement. Additional charges will be made upon customer's authorization at the prevailing rates.

Hazardous Materials

The Customer shall be responsible for the removal, handling, and disposal of all hazardous materials. Title to all hazardous materials or substances shall at all times remain with the Customer.

Warranty

William E. Walter, Inc. extends the manufacturer's warranties on all parts and materials and warrants labor to meet industry standards for a period of 30 days from the completion of work performed. William E. Walter, Inc. expressly limits its warranty to cover only that portion of equipment which had specific service done by William E. Walter, Inc. These warranties do not extend to any service that has been repaired by others, or which has not been properly maintained. No warranty is made against corrosion, erosion, or deterioration.

Complete Agreement

The terms and conditions in William E. Walter's forms, acknowledgements, quotations, and invoices constitute the entire and exclusive agreement between the customer and William E. Walter, Inc.

Modification of Terms

No addition or modification of terms and conditions shall be binding upon William E. Walter, Inc. unless agreed to by William E. Walter, Inc. in writing. William E. Walter's acceptance of any order shall not be constructed as consent to any additional terms and conditions.
