RE: Resolution Authorizing the Purchase of Boiler Systems and Components

As part of the 2024 Budget and Capital Improvement Plan, Facility Services was allocated \$240,000 to complete boiler system and component replacements.

This project will replace old and worn boilers for HVAC systems at the Law Center, Administration, and Judicial Center buildings.

Typical life expectancy for these types of commercial boilers is around 15 years, and the boilers being replaced are all 20+ years old.

The total estimated cost of this project is \$223,085 and all quotes will be attached to the resolution packet.

This project came in \$16,915 under budget.
