Re: Resolution Authorizing the Fiscal Year 2025 Memorandum of Understanding on Cash Matching Funding for Behavioral Health Managed Care Service - Wraparound

The attached resolution authorizes the Memorandum of Understanding and Cash Matching Funding for Behavioral Health Managed Care Services, specifically for the Wraparound Program.

Wraparound is a collaboration with Livingston County Community Mental Health Authority, Livingston County Health Department, Livingston County Juvenile Court, Community Mental Health Partnership of Southeast Michigan, Livingston Educational Service Agency and the Department of Health and Human Services resulting in a pooling of resources to fund Wraparound. Wraparound is a facilitated process which wraps services around children and their families who are being served by multiple public systems. It would not be possible to fund Wraparound through individual agencies and it is only through this collaboration that this service is available to all families in our community - no matter which organization identifies the need.

The fiscal year 2025 program cost of \$248,000 is included in the FY 2025 Child Care Fund Budget. The Community Mental Health Partnership of Southeast Michigan Substance Abuse Coordinating Agency will contribute \$40,000 and the Health Department will contribute \$5,000 to offset the Court/County's contribution.

This partnership and pooled funding have existed for over 25 years. It is both an expression of and organizing structure of the unique "our children" collaborative approach to services provided to high need children and families in Livingston County.

Thank you for your consideration and support of the services we provide in partnership.
