Re: 2024 Veterans Millage

Attached you will find the 2024 Millage Request (L-4029) for Livingston County Veterans. The millage on the form has been calculated using the correct millage rollback calculation as prescribed under Article 9 of the Michigan Constitution, and further directed by the State Tax Commission.

The millage requested is for the winter tax billing. The L-4029 must be approved by September 30th to be eligible to levy. The millage request is for Extra Voted Veterans millage was approved by the majority of the electors of the county. Should you have any questions or concerns regarding the millage, or how it was calculated, please contact me. Should you have any questions regarding budgeting please contact Ramon Baca at the Veterans Administration.
