

RESOLUTION

NO: 2024-12-173

LIVINGSTON COUNTY

DATE: December 16, 2024

**Resolution Authorizing the Purchase of New Garage Door for the Hartland EMS Base – Emergency Medical Services**

**WHEREAS,** the EMS Department had a complete failure of an overhead door at its EMS base in Hartland and on July 23<sup>rd</sup> one of the two doors was determined to be unrepairable; and

**WHEREAS,** Facility Services requested several bids for replacing the failed door under existing contracts for overhead door replacement; and

**WHEREAS,** the Board of Commissioners approved the replacement of the doors at the Hartland EMS base in Resolution 2024-09-121; and

**WHEREAS,** the approved amount in Resolution 2024-09-121 inadvertently only included the cost of one door instead of two, but did include the labor expenses for both doors; and

**WHEREAS,** the original resolution should have included an additional \$36,000 for the second door, with funding for the purchase coming from the Capital Improvement Fund 403; and

**WHEREAS,** Facility Services also recommends inclusion of a 5% contingency for the project since the building is older, so we have included \$1,800 in the request.

**THEREFORE, BE IT RESOLVED** that the Livingston County Board of Commissioners hereby authorizes the purchase of one additional roll up overhead door for the Hartland EMS Base from Dynamic Custom Services LLC at a cost not to exceed \$37,800 with a funding provided by the Capital Improvement Fund 403.

**BE IT FURTHER RESOLVED** that the Board of Commissioners authorizes any budget amendments needed to effectuate the above projects.

**BE IT FURTHER RESOLVED** that the Chairman of the Livingston County Board of Commissioners is authorized to sign all forms, assurances, contracts/agreements, renewals, and future amendments for monetary and contract language adjustments related to the above upon review and/or preparation of Civil Counsel.
